

CASIO CS-4B

CASIO CS-4B Electronic Keyboard Stand Instruction Manual

Model: CS-4B

Brand: CASIO

INTRODUCTION

This manual provides essential information for the safe and proper assembly, use, and maintenance of your CASIO CS-4B Electronic Keyboard Stand. Please read this manual thoroughly before use and retain it for future reference. The CS-4B is a genuine stand designed specifically for various CASIO electronic keyboard models, ensuring stability and optimal playing height.

SETUP AND ASSEMBLY

The CASIO CS-4B stand is designed for straightforward assembly. Follow these steps to set up your stand securely.

1. Unpack Components

Carefully remove all parts from the packaging. Verify that all components are present according to the parts list (refer to the image below).

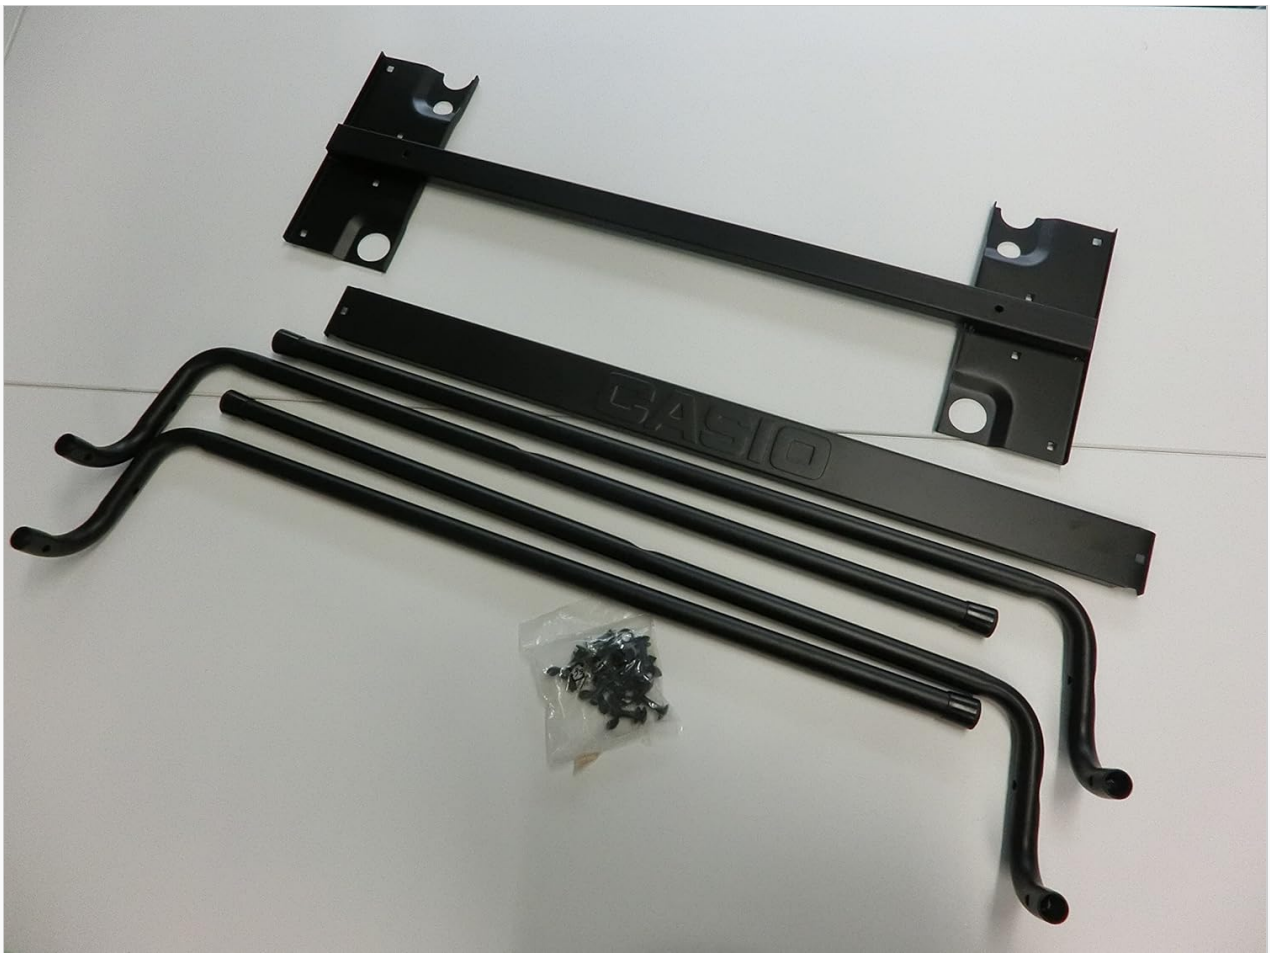

Image: All components of the CASIO CS-4B stand laid out, including the top support frame, legs, and connecting hardware.

2. Assemble the Frame

Connect the leg components to the main support bars. Ensure all connections are aligned correctly before tightening.

Image: Close-up of a hand securing a screw during the assembly process of the stand, demonstrating how to attach the legs to the frame.

3. Secure All Connections

Once all parts are in place, firmly tighten all screws and fasteners. Ensure the stand is stable and does not wobble. The CASIO branded crossbar should be positioned correctly for structural integrity.

Image: The CASIO CS-4B stand fully assembled, ready for use. Note the sturdy construction and integrated branding.

OPERATING INSTRUCTIONS

After assembly, the stand is ready to support your compatible CASIO electronic keyboard.

Placing the Keyboard

Carefully lift your electronic keyboard and place it onto the top support bars of the CS-4B stand. Ensure the keyboard is centered and stable on the stand. The design of the CS-4B is optimized for a secure fit with compatible CASIO models.

Image: A CASIO electronic keyboard properly positioned on the CS-4B stand, demonstrating its intended use and stability.

Stability Check

Before playing, gently push down on the keyboard to confirm that it is stable and does not rock or slide. If any instability is detected, re-check the assembly steps.

MAINTENANCE

To ensure the longevity and proper function of your CASIO CS-4B stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the stand with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid abrasive cleaners or solvents.
- **Regular Checks:** Periodically inspect all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Storage:** If storing the stand for an extended period, keep it in a dry place away from extreme temperatures and direct sunlight.

TROUBLESHOOTING

Most issues with the CS-4B stand can be resolved with basic checks.

- **Stand is Wobbly:** Ensure all screws are fully tightened. Check that the legs are evenly placed on a flat, stable surface.
- **Keyboard Does Not Fit:** Verify that your keyboard model is listed in the compatible models section of this manual or on the official CASIO website. The CS-4B is designed for specific CASIO electronic keyboards.
- **Missing Parts:** If any parts were missing upon unboxing, contact your retailer or CASIO customer support immediately.

SPECIFICATIONS

Feature	Detail
Product Model Number	CS-4B
Brand	CASIO
Color	Black
Instrument Type	Electronic Keyboard Stand
Dimensions (H x W x D)	69.6 cm x 57.0 cm x 69.7 cm (27.4 in x 22.4 in x 27.4 in)
