Gernetic Synchro Cream Regulating Face Care User Manual

Model: Synchro Cream 50ml (1.6 oz)

1. INTRODUCTION

The Gernetic Synchro Cream is a nourishing and regulating face care product designed to support skin regeneration and revitalization. Formulated with vitamins, minerals, amino acids, and biotechnology extracts, it addresses various skin concerns including aging, scars, burns, eczema, and psoriasis. This manual provides detailed instructions for its proper use and care.

2. PREPARATION FOR USE

Before applying Gernetic Synchrono Cream, ensure your skin is properly prepared to maximize product efficacy and minimize potential irritation.

- **Cleanse Skin:** Thoroughly cleanse the skin area where the cream will be applied. Use a gentle cleanser suitable for your skin type.
- **Pat Dry:** Gently pat the skin dry with a clean towel. Avoid harsh rubbing.
- **Patch Test (Recommended):** For first-time users, apply a small amount of cream to an inconspicuous area of skin (e.g., behind the ear or inner forearm) 24 hours prior to full application to check for any adverse reactions.

3. APPLICATION INSTRUCTIONS

Gernetic Synchrono Cream can be applied to various areas of the body, including the face, and can be adapted for specific skin concerns.

General Application

- Apply a thin layer of Synchro Cream to the desired area of clean, dry skin.
- Gently massage until fully absorbed.
- The cream can be used anywhere on the body where regeneration and revitalization are desired.

Specific Treatment Applications

- **For Acne Treatment:** Mix Gernetic Synchro Cream in equal parts with Gernetic IMMUNO Cream. Apply the mixture to clean skin.
- **For Anti-Aging Treatment:** Mix 1/3 Gernetic IMMUNO Cream with 2/3 Gernetic Synchro Cream. Apply this mixture at night.
- **For Very Dry Skin:** Gernetic Synchro Cream can be used during the daytime for intense hydration and nourishment.

4. MAINTENANCE AND STORAGE

Proper care and storage will help maintain the quality and effectiveness of your Gernetic Synchro

Cream.

- **Storage:** Store the cream in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Hygiene:** Always use a clean spatula or clean hands when dispensing the cream to prevent contamination.
- **Seal:** Ensure the lid is tightly closed after each use to prevent air exposure and maintain product integrity.

5. TROUBLESHOOTING

If you encounter any issues while using Gernetic Synchro Cream, consider the following:

- **Skin Irritation:** If redness, itching, or discomfort occurs, discontinue use immediately. Cleanse the affected area with water. If symptoms persist, consult a dermatologist.
- **No Visible Results:** Ensure consistent application as directed. Skin improvement can take time. Review your application method and frequency. If concerns persist, consult a skincare professional.
- **Product Consistency Change:** Ensure the product has been stored correctly (see Section 4). If the color, texture, or smell changes significantly, discontinue use.
