Après le monde magique des jouets, des insectes, des monstres, des poissons et des super héros, les maîtres de l'animation des studios Pixar vous entraînent dans une comédie d'aventures drôle et émouvante... dont les héros sont cette fois des voitures ! Et dans le monde de CARS, ces voitures respirent, agissent, vivent des émotions...

Parmi elles, Flash McQueen, jeune bolide arrogant promis au succès, se retrouve par hasard perdu dans une petite ville sur la célèbre route 66 ! Loin des vivas de ses fans, il va alors découvrir des habitants passionnants - la splendide Sally, le sage Doc Hudson ou l'hilarant Martin - qui vont l'aider à apprendre que dans la vie il y a des choses bien plus importantes que les trophées et la gloire...

En route pour une aventure inoubliable : humour, émotion et dépaysement garantis !
