# SK-II Facial Treatment Essence User Manual

Model: I0037859 | Brand: SK-II

## INTRODUCTION

---

The SK-II Facial Treatment Essence is a pure, lightweight skincare product designed to be quickly absorbed into the skin. Its unique formula gently exfoliates and supports the skin's natural surface renewal cycle. This essence aims to reduce visible signs of aging, renew skin surface, and improve overall hydration and radiance.

### SETUP AND FIRST USE

---

Before applying the Facial Treatment Essence, ensure your face is thoroughly cleansed. This prepares your skin to optimally absorb the essence.

1. **Cleanse:** Wash your face with your preferred cleanser and pat dry.
2. **Prepare:** Open the bottle by twisting the cap counter-clockwise.
3. **Dispense:** Pour a few drops of the essence into the palm of your hand or onto a cotton pad.

### OPERATING INSTRUCTIONS

---

For optimal results, integrate the Facial Treatment Essence into your daily morning and evening skincare routine.

1. **Application:** Gently smooth the essence onto your face and neck using your fingertips or a cotton pad.
2. **Absorption:** Lightly pat the skin to encourage absorption. Allow the essence to fully absorb before applying subsequent skincare products.
3. **Frequency:** Use twice daily, once in the morning and once in the evening.

### INGREDIENTS AND TECHNOLOGY

---

The SK-II Facial Treatment Essence is formulated with over 90% Pitera™, a proprietary ingredient derived from a unique yeast fermentation process. Pitera™ contains a blend of vitamins, amino acids, minerals, and organic acids that work together to enhance skin's natural functions.

---

Inspired by the soft and youthful looking hands of elderly sake brewers, PITERA™ is a naturally derived liquid from the yeast fermentation process, and is made exclusively in Japan for SK-II.

## MAINTENANCE

To maintain the efficacy and quality of your SK-II Facial Treatment Essence:

- Store the bottle in a cool, dry place away from direct sunlight.
- Ensure the cap is tightly closed after each use to prevent evaporation and contamination.
- Avoid extreme temperatures.

## TROUBLESHOOTING

If you experience any skin irritation or adverse reactions, discontinue use immediately and consult a dermatologist. Ensure the product is applied to clean skin as directed. For optimal results, consistent use is recommended.
