# Rayson Empty Spray Bottle Instruction Manual

Model: SG\_B000H88PCU\_US

## 1. PRODUCT OVERVIEW

---

The Rayson Empty Spray Bottle is a versatile, refillable container designed for various household and personal care applications. Its ergonomic design and adjustable nozzle make it suitable for tasks such as hair styling, watering plants, and general cleaning.

**Key Features:**

- **Ergonomic Comfort Grip:** Designed to fit the hand comfortably, reducing strain during use.
- **Adjustable Nozzle:** Allows for selection between a fine mist, stream, or off setting.
- **Durable Material:** Constructed from Polyethylene Terephthalate (PET) for reusability.
- **Compact Size:** 8-ounce capacity, ideal for various tasks and easy storage.

## 2. SETUP INSTRUCTIONS

---

1. **Unpack:** Carefully remove the spray bottle from its packaging.
2. **Inspect:** Check the bottle and sprayer head for any visible damage.
3. **Fill:** Unscrew the sprayer head from the bottle. Fill the bottle with your desired liquid (e.g., water, cleaning solution, hair product). Do not overfill.
4. **Secure:** Screw the sprayer head back onto the bottle, ensuring it is tightly sealed to prevent leaks.

## 3. OPERATING INSTRUCTIONS

---

### Adjusting the Nozzle:

The Rayson spray bottle features an adjustable nozzle to control the spray pattern. To adjust:

- **Mist:** Turn the nozzle clockwise for a fine mist spray.
- **Stream:** Continue turning the nozzle clockwise for a direct stream.
- **Off:** Turn the nozzle counter-clockwise until it clicks into the 'OFF' position to prevent accidental spraying.

## Using the Trigger:

Once the nozzle is set to your desired spray pattern (mist or stream), simply squeeze the trigger repeatedly to dispense the liquid. The ergonomic design ensures comfortable operation.

## Common Applications:

- **Hair Styling:** Lightly mist hair to dampen before styling.
- **Plant Care:** Provide a fine mist to houseplants that require humidity.
- **Cleaning:** Apply cleaning solutions to surfaces.
- **Pet Care:** Gently mist pets for cooling or grooming.

#### **4. MAINTENANCE**

---

To ensure the longevity and proper function of your Rayson Empty Spray Bottle, follow these maintenance guidelines:

- **Cleaning:** Hand wash only. Rinse the bottle and sprayer head thoroughly with warm water after each use, especially when changing liquids.
- **Storage:** Store the bottle in a cool, dry place away from direct sunlight. Ensure the nozzle is in the 'OFF' position during storage.
- **Avoid Harsh Chemicals:** While durable, avoid using highly corrosive or abrasive chemicals that could degrade the PET material or clog the sprayer mechanism.

## 5. TROUBLESHOOTING

---

- **No Spray/Weak Spray:**
  - Check if the nozzle is in the 'OFF' position. Rotate it to 'MIST' or 'STREAM'.
  - Ensure the dip tube inside the bottle is fully submerged in liquid and not clogged.
  - Verify the sprayer head is screwed on tightly.
- **Leaking:**
  - Ensure the sprayer head is securely tightened onto the bottle.
  - Check for any cracks or damage to the bottle or sprayer head.
- **Clogged Nozzle:**
  - Remove the sprayer head and rinse the nozzle under warm running water. You may need to use a small brush or pin to clear any blockages.
