	Specifications	Warranty & Support		

1. PRODUCT OVERVIEW

The Hot Wheels Madd Propz is a 1:64 scale die-cast toy airplane, part of the 2004 First Editions series (model 76/100). This collectible item is designed for manual play and is suitable for children aged 3 to 5 years. It features a durable metal construction and a distinctive red finish.

Image 1.1: Hot Wheels Madd Propz (Airplane) 2004 First Editions. This image shows the front view of the red die-cast airplane, highlighting its design and details.

Safety Information: This product has been safety tested and conforms to ASTM F963 standards. It is important to note that this toy is not compatible with all Hot Wheels sets.

2. SETUP

The Hot Wheels Madd Propz is ready for play directly out of its packaging. No assembly, batteries, or additional setup is required.

1. **Unpackaging:** Carefully remove the Madd Propz airplane from its packaging.
2. **Inspection:** Before first use, inspect the toy for any signs of damage or loose parts. If any issues are found, discontinue use and contact customer support.

Ensure the play area is clear of small objects that could be a choking hazard for younger children.

3. OPERATING INSTRUCTIONS

The Madd Propz airplane is designed for manual operation, encouraging imaginative play.

- **Manual Movement:** Place the airplane on a flat, smooth surface. Use your hand to push the airplane forward, simulating flight or taxiing.
- **Imaginative Play:** Engage in creative scenarios, such as take-offs, landings, and aerial maneuvers.
- **Compatibility:** While designed for general play, be aware that this model may not be compatible with all Hot Wheels track sets or accessories.

This toy operates on "wind power," meaning it is propelled by manual force or air currents, not by internal motors or batteries.

4. MAINTENANCE

Proper care will ensure the longevity of your Hot Wheels Madd Propz.

- **Cleaning:** To clean the die-cast airplane, wipe it gently with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the paint finish.
- **Storage:** Store the toy in a dry, cool place away from direct sunlight to prevent fading or material degradation.
- **Inspection:** Periodically check the wheels and body for any signs of wear or damage.

This product is made of metal and is designed to be durable under normal play conditions.

5. TROUBLESHOOTING

The Hot Wheels Madd Propz is a simple mechanical toy, and issues are rare. However, if you encounter any problems, consider the following:

- **Wheels Not Rolling Smoothly:**
 - Check for debris (e.g., hair, lint) caught in the axles. Carefully remove any obstructions.
 - Ensure the wheels are not bent or damaged. If damaged, the toy may need to be replaced.
- **Paint Chipping/Wear:**
 - Minor paint chipping is normal with extended play. This does not affect the toy's functionality.
 - Avoid rough play or impacts that could accelerate paint wear.

For issues not covered here, please refer to the Warranty & Support section for contact information.

6. SPECIFICATIONS
