## Quartet SB93513Q

# Quartet Show-It! 3-Panel Display System Instruction Manual

Model: SB93513Q

## INTRODUCTION

The Quartet Show-It! 3-Panel Display System is designed to provide a professional and versatile platform for presenting information. This lightweight and durable display features a double-sided, fully tackable fabric surface, allowing for maximum usage and flexibility. It is ideal for exhibitions, presentations, and various display needs, offering both blue and gray background options to suit your aesthetic requirements. This manual provides essential information for the setup, operation, and maintenance of your display system.

## SETUP

Your Quartet Show-It! Display System comes pre-assembled and ready for immediate use. No complex assembly is required. To set up the display:

1. Carefully remove the display system from its carrying bag.
2. Unfold the three panels to form the desired display configuration. The panels are hinged to allow for various angles and stability.
3. Choose your preferred display surface: the blue side or the gray side. The system can be oriented to present either color.
4. Place the display system on a stable, flat surface. Ensure all panels are properly extended and balanced for optimal stability.

## OPERATING INSTRUCTIONS

The display system features a fully tackable fabric surface on both sides, designed for easy attachment of documents and visuals.

- **Attaching Documents:** Use standard push pins or adhesive tape to secure documents, posters, or other display materials directly onto the fabric surface. The fabric is designed to hold these items firmly.
- **Maximizing Display Area:** Utilize both sides of the panels to maximize your presentation space. This is particularly useful for multi-faceted displays or when presenting to audiences from different directions.
- **Portability:** The lightweight design allows for easy relocation. When moving the display, ensure all attached materials are secure or removed to prevent loss or damage. For transport, fold the panels and store them in the included carrying bag.

## MAINTENANCE

Proper care will extend the life and appearance of your display system.

- **Cleaning the Fabric Surface:** For minor dust, gently wipe with a clean, dry cloth. For spills or stains, spot clean immediately with a mild fabric cleaner and a damp cloth. Avoid saturating the fabric. Allow to air dry completely before folding or storing.
- **Frame Care:** Wipe the frame with a soft, damp cloth as needed. Avoid abrasive cleaners.
- **Storage:** When not in use, fold the display system and store it in the provided carrying bag. Store in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Handling:** Always handle the display system by its frame. Avoid picking it up by the fabric panels or applying excessive force to the hinges.

## TROUBLESHOOTING

This section addresses common issues you might encounter with your display system.

- **Issue: Display appears unstable or twisted.**  
**Solution:** Ensure the display is placed on a completely flat and level surface. Adjust the angles of the panels to achieve optimal balance and stability. Verify that the hinges are fully extended and not obstructed.
- **Issue: Documents are not adhering well to the fabric.**  
**Solution:** Ensure you are using appropriate push pins or tape designed for fabric surfaces. Check that the fabric surface is clean and free of debris that might hinder adhesion. For best results, apply sufficient pressure when attaching items.
- **Issue: Difficulty folding or unfolding the panels.**  
**Solution:** Check the hinges for any obstructions or damage. Apply gentle, even pressure when folding or unfolding. Do not force the panels if resistance is met.

## SPECIFICATIONS

Feature	Detail
Product Dimensions	36 x 72 x 0.2 inches (H x W x D)
Item Weight	11.9 pounds
Model Number	SB93513Q
Material	Fabric
Color	Blue/Gray (Double-sided)
Included Components	Show-It!® 3-Panel Display System, Carrying bag
Assembly Required	No
Batteries Required	No
Manufacturer	ACCO Brands
