## Laurastar 5607832750

# Laurastar 5607832750 Ironing Board Cover User Manual

## 1. INTRODUCTION

This manual provides essential information for the proper use and maintenance of your Laurastar 5607832750 Ironing Board Cover. Designed for optimal steam distribution, this cover features super thick comfortable padding and is washable for hygiene and longevity.

Image 1: Laurastar 5607832750 Lavender Ironing Board Cover. This image displays the ironing board cover in a lavender color, highlighting its texture and fit.

## 2. COMPATIBILITY

The Laurastar 5607832750 Ironing Board Cover is designed to fit ironing boards with dimensions of 125 x 42 cm. It is compatible with the following Laurastar ironing systems:

- MAGIC i-S6
- MAGIC i-S5
- MAGIC S4
- LAURASTAR S4E
- PREMIUM S3

### 3. SETUP INSTRUCTIONS

---

1. **Unpack the Cover:** Carefully remove the ironing board cover from its packaging.
2. **Prepare the Ironing Board:** Ensure your ironing board is clean and dry before fitting the new cover. If replacing an old cover, remove it completely.
3. **Position the Cover:** Place the new Laurastar cover over the ironing board, aligning the narrow end with the pointed end of the board.
4. **Secure the Cover:** Gently pull the cover over the edges of the ironing board. Most Laurastar covers feature an elasticized edge or a drawstring. If present, tighten the drawstring or ensure the elastic fits snugly around the board for a smooth, wrinkle-free surface.
5. **Smooth Out Wrinkles:** Adjust the cover to remove any creases or wrinkles, ensuring a taut and even surface for optimal ironing performance.

### 4. OPERATING GUIDELINES

---

The Laurastar ironing board cover is designed to enhance your ironing experience by allowing the correct amount of steam to pass through, preventing condensation and ensuring efficient ironing.

- **Ensure Proper Fit:** Always ensure the cover is fitted tightly and smoothly on your ironing board. A loose or wrinkled cover can affect steam distribution and ironing results.
- **Steam Permeability:** The special fabric of this cover is engineered to allow steam to penetrate effectively while protecting the board.
- **Regular Use:** Use the cover as a standard surface for all your ironing needs. Its thick padding provides a comfortable and stable base.

### 5. CARE AND MAINTENANCE

---

Proper care of your ironing board cover will extend its lifespan and maintain its performance.

- **Washing Instructions:** The cover is washable at 30 °C (86 °F).
- **No Spinning:** Do not use the spin cycle when washing the cover. This helps preserve the padding and fabric integrity.
- **Drying:** Air dry the cover. Avoid tumble drying to prevent shrinkage or damage to the padding.
- **Regular Replacement:** For optimal performance and hygiene, it is recommended to wash and replace the cover regularly. The frequency depends on usage.

### 6. SPECIFICATIONS

---

Brand	Laurastar
