# Simba 107103715 Castle Bucket Instruction Manual

Model: 107103715

## INTRODUCTION

The Simba 107103715 Castle Bucket is a versatile 2-in-1 toy designed for creative sand play. It functions as both a traditional bucket for carrying sand and water, and as a unique mold for constructing castle towers. This manual provides essential information for the proper use and care of your castle bucket.

This image displays the Simba 107103715 Castle Bucket in a vibrant green color, featuring a sturdy white handle. The bucket's base is designed with castle-like indentations, allowing it to be used as a sand mold.

**SETUP**

The Simba Castle Bucket requires no assembly. It is ready for immediate use upon removal from its packaging. Ensure the handle is securely attached before use.

## Components:

- One (1) Simba Castle Bucket with attached handle.

## OPERATING INSTRUCTIONS

The Simba Castle Bucket offers two primary modes of operation:

1. **As a Bucket:** Use the bucket to transport sand, water, or other small beach items. Hold the handle firmly for easy carrying.
2. **As a Castle Mold:**
  - Fill the bucket with damp sand, pressing down gently to ensure the sand is compact.
  - Invert the bucket onto a flat sand surface.
  - Gently lift the bucket straight up to reveal a sandcastle tower.

This image shows four Simba Castle Buckets in various colors: red, blue, yellow, and green. Each bucket has a white handle and the distinctive castle-tower base design, illustrating the product's design for sand play.

## MAINTENANCE

To ensure the longevity of your Simba Castle Bucket, follow these simple maintenance guidelines:

- **Cleaning:** After each use, rinse the bucket thoroughly with fresh water to remove all sand, salt, or dirt.
- **Drying:** Allow the bucket to air dry completely before storing to prevent mildew or odors.
- **Storage:** Store the bucket in a cool, dry place away from direct sunlight when not in use. Prolonged exposure to intense sunlight may cause color fading or material degradation.

## TROUBLESHOOTING

The Simba Castle Bucket is a simple and durable product. Should you encounter any issues, consider the following:

- **Difficulty forming sandcastles:** Ensure the sand is adequately damp. Very dry or overly wet sand may not hold its shape effectively. Press the sand firmly into the bucket before inverting.
- **Handle detachment:** The handle is designed to be robust. If it detaches, inspect the attachment points for any damage. Reattach by snapping it back into place. If damaged, discontinue use.

## SPECIFICATIONS

Feature	Detail
Model Number	107103715
Brand	Simba
Product Dimensions	6.69 x 6.69 x 6.3 inches (17 x 17 x 16 cm)
Item Weight	2.12 ounces (60 grams)
Material	Plastic
Manufacturer	SIMBA

A green Simba Castle Bucket is shown with a measurement overlay indicating its height of 6.8 inches (17 cm). This illustrates the compact size of the product.

## SAFETY INFORMATION

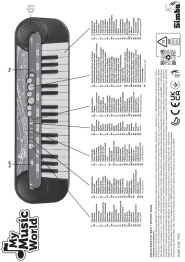

This product is intended for use as a toy. As per manufacturer information, there are no specific safety warnings provided beyond general toy safety practices. Always supervise children during play. Inspect the product regularly for any signs of wear or damage that could pose a hazard. Discontinue use if the product becomes damaged.

## WARRANTY AND SUPPORT

Information regarding a specific warranty for the Simba 107103715 Castle Bucket is not available in the

provided product details. For any product-related inquiries or support, please contact the retailer or the manufacturer, Simba, directly.
