Hasbro FurReal Friends Jungle Cat (Leopard Cub) Instruction Manual

INTRODUCTION

This manual provides essential information for the setup, operation, and maintenance of your Hasbro FurReal Friends Jungle Cat, the Leopard Cub model. Please read these instructions carefully to ensure proper use and enjoyment of your electronic pet.

SETUP

Battery Installation

The FurReal Friends Jungle Cat requires 4 "AA" batteries (not included) for operation. Follow these steps to install the batteries:

1. Locate the battery compartment on the underside of the Leopard Cub.
2. Using a Phillips head screwdriver, carefully open the battery compartment cover.
3. Insert 4 new "AA" batteries, ensuring correct polarity (+/-) as indicated inside the compartment.
4. Replace the battery compartment cover and secure it with the screw.

This image displays the FurReal Friends Jungle Cat, a leopard cub, in a sitting position. The cub has soft, spotted fur and expressive eyes. Next to it is a small, orange and white feeding bottle, an accessory used for interactive play.

OPERATING YOUR FURREAL FRIENDS JUNGLE CAT

Basic Interactions

Your Leopard Cub is designed to respond to various interactions:

- **Petting its Back:** Gently pet the cub's back to activate responses such as sitting up, opening its eyes, lying down, or falling asleep.
- **Feeding:** Use the included bottle to "feed" your cub. It will make feeding sounds. Remember to gently pat its back afterward to simulate burping.
- **Calming:** If the cub becomes too rambunctious, a gentle tap on its head will prompt sheepish sounds, indicating it is calming down.

MAINTENANCE

Cleaning

To clean your FurReal Friends Jungle Cat, gently wipe the surface with a slightly damp cloth. Do not immerse the toy in water or use harsh cleaning agents, as this may damage the electronic components.

Battery Care

- Always use fresh, high-quality "AA" batteries.
- Remove batteries if the toy will not be used for an extended period to prevent leakage.
- Dispose of used batteries responsibly according to local regulations.

TROUBLESHOOTING

If your FurReal Friends Jungle Cat is not functioning as expected, please review the following common issues and solutions:

- **No Response or Weak Sounds:** Check if the batteries are correctly installed and not depleted. Replace with new batteries if necessary.
- **Inconsistent Reactions:** Ensure you are interacting with the designated sensor areas (e.g., back for petting, head for calming).
- **Toy Does Not Turn On:** Verify that the battery compartment is securely closed and that the batteries are fresh.

SPECIFICATIONS

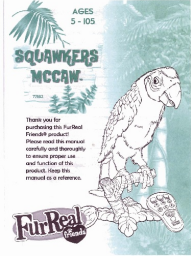

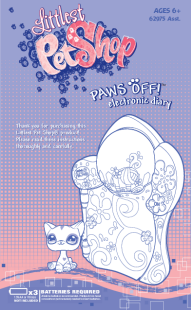

Product Dimensions	9.6 x 10.2 x 12.6 inches
Item Weight	2.6 pounds
Model Number	066529D
Manufacturer Recommended Age	4 - 10 years
Batteries Required	4 "AA" batteries (not included)
Manufacturer	Hasbro
