

Conair BC173AR

INFINITIPRO BY CONAIR Wet/Dry Hot Air Brush Styler User Manual

1. INTRODUCTION

The INFINITIPRO BY CONAIR Wet/Dry Hot Air Brush Styler is designed to straighten, add shine, and control frizz, offering a versatile styling solution. Its Triple Action Styling System detangles, straightens, and shines hair with ease. Featuring Tourmaline Ceramic Technology, this styler emits ions to smooth the hair cuticle, promoting faster, gentler, and more efficient drying from the inside out. Infrared energy helps protect hair's natural luster, resulting in silky, shiny, and manageable hair by sealing the cuticle and reducing frizz.

This manual provides essential information for the safe and effective use of your hot air brush styler, including setup, operation, maintenance, and troubleshooting.

2. IMPORTANT SAFETY INSTRUCTIONS

When using electrical appliances, especially when children are present, basic safety precautions should always be followed, including the following:

- **DANGER:** Always unplug the appliance immediately after use.
- Do not use while bathing or in a shower.
- Do not place or store appliance where it can fall or be pulled into a tub or sink.
- Do not place in or drop into water or other liquid.
- Do not reach for an appliance that has fallen into water. Unplug immediately.
- **WARNING:** To reduce the risk of burns, electrocution, fire, or injury to persons:
 - An appliance should never be left unattended when plugged in.
 - Close supervision is necessary when this appliance is used by, on, or near children or individuals with certain disabilities.
- Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by the manufacturer.
- Never operate this appliance if it has a damaged cord or plug, if it is not working properly, or if it has been dropped or damaged, or dropped into water.
- Keep the cord away from heated surfaces. Do not pull, twist, or wrap cord around the appliance.
- Never block the air openings of the appliance or place it on a soft surface, such as a bed or couch, where the

air openings may be blocked. Keep the air openings free of lint, hair, and the like.

- Never use while sleeping.
- Never drop or insert any object into any opening.
- Do not use outdoors or operate where aerosol (spray) products are being used or where oxygen is being administered.
- Do not use an extension cord with this appliance.
- Do not direct hot air towards eyes or other heat-sensitive areas.
- The appliance is hot when in use. Do not let eyes or skin touch heated surfaces.
- Do not place the appliance on any surface while it is operating.
- Do not use with a voltage converter.

3. PRODUCT FEATURES

The INFINITIPRO BY CONAIR Wet/Dry Hot Air Brush Styler is engineered with advanced technology for superior hair styling:

- **Triple Action Styling System:** Straightens, shines, and controls frizz effectively.
- **Wet/Dry Use:** Safely dry and style damp hair to achieve smooth results.
- **Tourmaline Ceramic Technology:** Emits ions to help smooth the hair cuticle, drying hair from the inside out for a faster, gentler, and more efficient process.
- **Infrared Energy:** Protects hair's natural luster, creating silky, shiny hair by sealing the hair cuticle and reducing frizz.
- **2-Speed Slide Switch:** Offers flexible control over airflow.
- **Cool Shot Button:** Locks in styles for long-lasting results.
- **Tension Control System:** Unique design suited for all hair types.

4. SETUP

Before first use, ensure the styler is clean and free from any packaging materials. Plug the appliance into a standard electrical outlet. The cord features a ground fault interrupter (GFCI) for safety. Test the GFCI by pressing the 'TEST' button; the 'RESET' button should pop out. Press 'RESET' to resume operation. If the GFCI does not function correctly, do not use the appliance.

5. OPERATING INSTRUCTIONS

Wet/Dry Styling

This hot air brush is designed for use on both damp and dry hair. For best results, towel-dry hair to remove excess water before styling. The styler can be used to dry hair while simultaneously styling it, or to refresh and smooth dry hair.

Speed and Heat Settings

The styler features a 2-speed slide switch. Select the desired speed (LOW or HIGH) based on your hair type and styling needs. The appliance also includes a cool setting for finishing your style.

Cool Shot Function

After styling a section of hair, press the cool shot button to set the style. This helps to lock in curls, waves, or straight styles for longer-lasting hold.

6. MAINTENANCE AND CARE

Cleaning

Ensure the appliance is unplugged and completely cool before cleaning. Use a soft, damp cloth to wipe down the exterior. Do not use abrasive cleaners or solvents. Regularly remove any hair or lint that may accumulate in the air intake filter at the back of the styler to maintain optimal performance.

Storage

When not in use, unplug the styler and allow it to cool. Store it in a dry location, out of reach of children. Do not wrap the cord around the appliance, as this can cause premature wear and breakage of the cord.

7. TROUBLESHOOTING

- **Appliance does not turn on:** Ensure the styler is properly plugged into a working electrical outlet. Check the GFCI plug and press the 'RESET' button if it has tripped.
- **Reduced airflow or heating:** Check the air intake filter for any lint or hair blockage. Clean the filter as described in the Maintenance section.
- **Unusual smell or noise:** Immediately unplug the appliance and discontinue use. Contact customer support for assistance.
- **Hair not styling as desired:** Ensure hair is adequately towel-dried if using on damp hair. Adjust speed and heat settings according to your hair type and desired style. Use smaller sections of hair for better results.

8. SPECIFICATIONS

Model Number	BC173AR
Product Dimensions	12.3 x 6.1 x 2.6 inches
Weight	15.7 ounces
Wattage	700 watts
Power Source	Corded Electric
Number of Speeds	2
Hair Type Compatibility	All hair types, dry
Material Features	Tourmaline-infused ceramic surface
