

Red Bull RB2861

Red Bull Energy Drink User Manual

Brand: **Red Bull** | Model: **RB2861**

1. PRODUCT OVERVIEW

The original energy drink that gives you wiings, this lightly carbonated beverage is enjoyed worldwide by fitness enthusiasts, athletes, gamers, students and travelers. A refreshing can of Red Bull makes an excellent partner for busy, active lifestyles. Key features include:

- The original energy drink that gives you wiings, Red Bull features taurine, an amino acid, plus four essential B-group vitamins B3, B6, B12 and B5, which contribute to normal energy-yielding metabolism.
- Each 8.4 fl oz can contains 110 calories, 80mg of caffeine which helps to increase alertness, plus 27g of real sugar similar to a glass of apple juice of the same size.
- This lightly sparkling energy drink gives you wiings for gaming, work, school, sports, pre-workout, music festivals, and on-the-go; Made to be vegetarian and free from wheat, dairy, gluten, and lactose.
- Try our unique Red Bull Editions featuring the flavors of Strawberry Apricot, Peach-Nectarine, Juneberry, Watermelon, Blueberry and more; Sugar free options include Red Bull Sugar Free and Red Bull Zero.
- Best enjoyed ice cold, Red Bull makes an excellent base for non-alcoholic mocktails; Add in your favorite fruit juice or fruit garnishes for endless combinations.

3. USAGE AND OPERATING INSTRUCTIONS

Red Bull Energy Drink is ready to consume directly from the can. For optimal enjoyment, it is best served ice cold.

- **Preparation:** No preparation is required. Simply open the can.
- **Consumption:** Drink directly from the can or pour into a glass with ice.
- **Serving Suggestion:** Can be used as a base for non-alcoholic mocktails by adding fruit juice or garnishes.

4. STORAGE AND MAINTENANCE

To maintain the quality and taste of Red Bull Energy Drink, follow these storage guidelines:

- Store in a cool, dry place away from direct sunlight.
- Refrigerate for best taste, especially before consumption.
- Ensure cans are not punctured or damaged to prevent leakage and maintain carbonation.
- Recycle aluminum cans after use.

5. SAFETY INFORMATION AND TROUBLESHOOTING

Please observe the following safety warnings and considerations:

- **Warning:** Not recommended for children, pregnant or nursing women, and persons sensitive to caffeine.
- This product is labeled to United States standards and may differ from similar products sold elsewhere in its ingredients, labeling, and allergen warnings.
- Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

5.1. Troubleshooting

As a ready-to-drink beverage, troubleshooting is generally not applicable. However, if you experience issues such as damaged cans or unusual taste, please contact the manufacturer directly.
