- **Cleaning:** Wipe blocks and figurines with a damp cloth and mild soap if necessary. Rinse thoroughly and air dry. Do not immerse electronic components (if any) in water.
- **Storage:** Store the playset in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Inspection:** Periodically inspect all pieces for wear or damage. Discard any broken or severely damaged parts to prevent injury.

TROUBLESHOOTING

If you encounter any issues with your playset, consider the following:

- **Missing Pieces:** Double-check the packaging and surrounding area. If pieces are genuinely missing, contact customer support.
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly. Apply gentle, even pressure. Avoid forcing connections, as this can damage the blocks.
