Winsome Wood Windsor Seating (Model 89999) Instruction Manual

Brand: Winsome

Model: 89999

INTRODUCTION

This manual provides essential information for the safe and proper use of your Winsome Wood Windsor Seating chair, Model 89999. This classic Windsor chair is crafted from solid wood, offering both durability and a timeless design. It features round legs and a smooth, contoured seat, providing a traditional aesthetic and comfortable seating experience.

Key features include:

- Classic Windsor chair design.
- Constructed from solid beech wood for stability.
- Features a hoop frame and spindles for back support.
- Designed for dining and general seating.
- Comes fully assembled, requiring no setup.

SAFETY INFORMATION

To ensure safe use of your Winsome Wood Windsor chair, please observe the following guidelines:

- **Maximum Weight Capacity:** Do not exceed a weight capacity of 220 lbs (100 kg). Exceeding this limit may compromise the chair's structural integrity and lead to injury.

- **Stable Placement:** Always place the chair on a flat, level, and stable surface to prevent tipping.
- **Avoid Standing:** Do not stand on the chair. It is designed for seating only.
- **Regular Inspection:** Periodically check the chair for any signs of damage or loose components. Discontinue use if damage is found.

SETUP

The Winsome Wood Windsor Seating chair (Model 89999) is delivered fully assembled. No assembly is required.

1. **Unpacking:** Carefully remove the chair from its packaging.
2. **Placement:** Place the chair in your desired location, ensuring it rests on a stable and level surface.
3. **Inspection:** Before first use, visually inspect the chair to ensure all components are intact and there is no visible damage from shipping.

OPERATING INSTRUCTIONS

The Winsome Wood Windsor chair is designed for straightforward use as a dining or general seating chair.

- **Seating:** Sit centrally on the seat, distributing your weight evenly.
- **Movement:** When moving the chair, lift it rather than dragging it to prevent damage to the legs or floor.

CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your Winsome Wood Windsor chair.

- **Cleaning:** Wipe the chair clean with a soft, damp cloth. For stubborn marks, a mild wood cleaner can be used, followed by wiping with a dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or polishes containing silicone, as these can damage the natural wood finish.
- **Moisture Protection:** Promptly wipe up any spills to prevent water damage or staining.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or drying of the wood.
- **Temperature and Humidity:** Maintain a consistent room temperature and humidity level to prevent wood from cracking or warping.

TROUBLESHOOTING

This section addresses common concerns you might encounter with your Winsome Wood Windsor chair.

Chair Wobbles

If the chair appears unstable or wobbles:

- Ensure the chair is placed on a completely flat and level surface. Uneven flooring is a common cause of wobbling.
- Although the chair comes pre-assembled, check the leg connections for any signs of looseness. If any part feels loose, contact customer support.

Exceeded Weight Capacity

If the chair shows signs of stress or damage after being subjected to heavy loads:

- Recall that the maximum weight capacity is 220 lbs (100 kg). Repeatedly exceeding this limit will cause structural damage.
- Discontinue use immediately if the chair is damaged.
