RUSK IRDSLUSTP4

RUSK Deepshine Lustre Shine Enhancing Lusterizer Instruction Manual

Model: IRDSLUSTP4

1. PRODUCT OVERVIEW

The RUSK Deepshine Lustre Shine Enhancing Lusterizer is a super-light cream formulated with moisturizing marine extracts. It is designed to provide instantaneous shine and condition to the hair.

This product is suitable for **all hair types**.

It functions by making combing easier, helping to prevent frizz, creating incredible shine, enhancing natural highlights, and revitalizing color-treated hair. Additionally, UVB absorbers are included to protect hair from the damaging rays of the sun.

2. USAGE INSTRUCTIONS

Application

1. The Lusterizer can be applied to either **damp or dry hair**.
2. For use before heat styling: Apply to damp hair to achieve a shiny, youthful-looking finish.
3. For use as a finishing product: Apply to dry hair for enhanced shine, separation, and to leave hair feeling soft and radiant.
4. Distribute the product evenly throughout the hair.
5. Do not rinse the product out after application.

WHAT IS IT? Deepshine® Lustre Shine Enhancing Lusterizer is a super-light cream formulated with moisturizing marine extracts to provide instantaneous shine and condition.

WHO IS IT FOR? All hair types.

WHAT DOES IT DO? Makes combing easier and helps prevent frizz. Creates incredible shine, enhances natural highlights and revitalizes color-treated hair. UVB absorbers protect hair from the damaging rays of the sun.

HOW DO YOU USE IT? Apply to damp hair before heat styling to achieve shiny, youthful-looking hair. Apply to dry hair as a finishing product for great shine and separation, leaving hair soft and radiant.
