Djeco Origami Animals Craft Kit Instruction Manual

Model: DJ08761

INTRODUCTION

Welcome to the world of Djeco Origami Animals! This craft kit provides an engaging and creative activity for children aged 4 years and older to explore the art of origami. With pre-printed papers and decorative stickers, you can easily create a variety of animal faces.

This manual will guide you through the setup, folding process, and care for your origami creations, ensuring a fun and rewarding experience.

1. SETUP AND CONTENTS

Before beginning, ensure all components are present and prepare a clean, flat surface for crafting.

Included Components:

- 12 pre-printed origami papers (6 with pre-printed eyes/faces, 6 without)
- 3 sheets of decorative stickers (for eyes, whiskers, etc.)
- Instruction booklet with pictorial guides

2. OPERATING INSTRUCTIONS: CREATING YOUR ORIGAMI ANIMALS

Follow these general steps to create your origami animal faces. Refer to the included instruction booklet for specific folding patterns for each animal.

Step-by-Step Folding Process:

1. **Select Your Paper:** Choose one of the pre-printed origami papers. Some papers have basic facial features already printed, while others are blank for sticker decoration.
2. **Consult the Guide:** Open the instruction booklet to find the corresponding animal and its folding steps. The booklet

uses clear pictorial guides.

- 3. **Follow Dotted Lines:** Carefully fold the paper along the dotted lines indicated on the paper and in the instruction booklet. Ensure each fold is crisp and precise for the best results.
- 4. **Form the Animal Face:** Continue folding according to the steps until the basic shape of the animal face is formed.
- 5. **Decorate (Optional):** If you used a paper without pre-printed features, or if you wish to add more detail, use the provided stickers to add eyes, noses, mouths, whiskers, and other embellishments.

Image: The instruction booklet provides clear, numbered diagrams for each folding step, such as for the dog face shown.

3. MAINTENANCE AND CARE

To preserve your finished origami creations:

- **Storage:** Store finished origami in a dry place away from direct sunlight to prevent fading and damage.
- **Handling:** Handle with care to avoid creasing or tearing the paper.
- **Cleaning:** Do not use water or cleaning agents on the paper. If necessary, gently dust with a soft, dry cloth.

4. TROUBLESHOOTING

If you encounter difficulties during the origami process, consider the following:

- **Difficulty with Folds:** Ensure you are folding precisely along the dotted lines. Sometimes, re-creasing a fold can help.
- **Misaligned Features:** If facial features don't align, gently unfold the last few steps and re-fold more carefully.
- **Sticker Placement:** Stickers can be repositioned gently if applied incorrectly, but repeated repositioning may reduce adhesion.
- **Younger Children:** For younger children (4-5 years), adult assistance may be beneficial for complex folds or precise sticker placement.
