REDMOND Real Salt Fine Sea Salt 26 Oz Pouch User Manual

Model: 018788102502

1. INTRODUCTION TO REDMOND REAL SALT

REDMOND Real Salt is an unrefined, ancient sea salt harvested from an ancient seabed in Redmond, Utah, USA. This natural salt is protected from modern pollution and contains over 60 trace minerals, contributing to its unique flavor profile. It is presented in its natural state, with nothing added and nothing removed.

2. PRODUCT OVERVIEW

2.1 Key Features

- **Natural & Unrefined:** Mined from an ancient seabed, free from additives and processing.
- **Trace Minerals:** Contains over 60 naturally occurring trace minerals.
- **Unique Flavor:** Subtly sweet taste, enhancing the natural flavors of food.
- **Mined in USA:** Sourced from Utah, ensuring ethical labor standards and sustainable practices.
- **Gluten-Free:** Suitable for various dietary needs.

2.2 Product Components

This product consists of one 26-ounce resealable pouch of REDMOND Real Salt, fine grain.

3. INGREDIENTS

REDMOND Real Salt Fine Sea Salt contains **100% Unrefined Ancient Sea Salt**.

Note: As a natural product, the color may vary slightly due to the presence of natural minerals.

4. USAGE INSTRUCTIONS

4.1 General Use

REDMOND Real Salt can be used as a direct substitute for any table salt or sea salt in your cooking and at the table. Its fine grain makes it ideal for general seasoning, baking, and shaker refills.

4.2 Application

- **Cooking:** Add to taste during the cooking process for all types of dishes, including meats, vegetables, soups, and sauces.
- **Table Seasoning:** Use in salt shakers for individual seasoning at the table.

- **Baking:** Incorporate into recipes requiring salt to enhance flavors.

4.3 Grain Size Information

This product is **Fine Grain**, which is a general-purpose table salt, perfect for baking and shaker refills. REDMOND Real Salt is also available in other grain sizes for different applications:

- **Powder:** Superfine salt for cosmetics, pickling, and popcorn.
- **Kosher:** For meat rubs, gourmet cooking, and meal prep.
- **Coarse:** Largest crystal salt, ideal for grinders.

5. STORAGE AND MAINTENANCE

- **Storage:** Store in a cool, dry place away from direct sunlight and moisture.
- **Sealing:** Ensure the pouch is tightly sealed after each use to prevent moisture absorption, which can lead to clumping.
- **Longevity:** As a natural mineral, salt does not expire. Proper storage will maintain its quality indefinitely.

6. SAFETY INFORMATION

- **Natural Product Variation:** As a natural product, the overall color and texture of the salt may vary. This is normal and does not affect quality.
- **Labeling Standards:** This product is labeled to United States standards and may differ from similar products sold elsewhere in its ingredients, labeling, and allergen warnings.
- **Dietary Disclaimer:** Statements regarding dietary supplements have not been evaluated by the Food and Drug Administration (FDA) and are not intended to diagnose, treat, cure, or prevent any disease or health condition.
- **Allergen Information:** This product is gluten-free.

7. TROUBLESHOOTING

7.1 Clumping

If the salt clumps, it is likely due to moisture absorption. REDMOND Real Salt does not contain anti-caking agents. To resolve, gently break up the clumps with a spoon or by shaking the pouch. Ensure the pouch is sealed tightly after use and stored in a dry environment.

7.2 Undissolved Particles / Gritty Texture

Some users may notice tiny undissolved crystals or a slightly gritty texture when dissolving the salt in water. These are natural trace minerals (such as silica and calcium) that are inherent to unrefined sea salt and do not fully dissolve. They are safe for consumption and contribute to the salt's nutritional profile.

8. SPECIFICATIONS

Product Name	REDMOND Real Salt Fine Sea Salt
Model Number	018788102502
Brand	REDMOND
Item Form	Crystal (Fine Grain)
Container Type	Resealable Pouch
