Alberto VO5 Moisturizing Hot Oil Treatment User Manual

Model: thomaswi

1. INTRODUCTION

The Alberto VO5 Moisturizing Hot Oil Treatment is designed to revitalize and protect your hair. This treatment helps to hydrate and protect hair from breakage, leaving it smoother and more manageable. It is formulated with a blend of five essential oils and five vital vitamins to nourish various hair types.

2. SAFETY INFORMATION

- **Avoid contact with eyes:** In case of contact, rinse eyes thoroughly with water.
- **Do not microwave:** Misuse may result in burns.
- **Use only as directed:** Follow all instructions carefully to prevent injury or product misuse.
- **Keep out of reach of children:** Store the product in a safe place away from children.

For external use only. If irritation occurs, discontinue use and consult a physician.

3. PRODUCT OVERVIEW

Key Features:

- **Healthy, Protected Hair:** Hydrates and protects hair from breakage.
- **The Power of 5:** Contains 5 Oils (Sunflower Seed Oil, Mango Seed Oil, Sweet Almond Oil, Rosemary Leaf Oil, Chamomile Flower Oil) and 5 Vitamins (Vitamin E, Vitamin C, Vitamin B5, Vitamin B3, Biotin).
- **Versatile Formula:** Suitable for all hair types, including curls and coils. Can be used pre-shampoo or post-conditioner.
- **Protects from Breakage:** Infuses hair strands with intense moisture for flexible, manageable texture.
- **Healthy Hair Ingredients:** Formulated without alcohol, petrolatum, silicone, or mineral oil.

4. USAGE INSTRUCTIONS

4.1. Preparation (Setup)

1. Heat an unopened tube of Alberto VO5 Moisturizing Hot Oil Treatment. You can do this by placing it in a cup of warm water or under warm running shower water for approximately 60 seconds. Ensure the oil is warm, not hot.

4.2. Application (Operating)

The treatment can be used in two ways:

- **Pre-Shampoo Treatment:** Apply to dry or slightly damp hair. Massage the oil thoroughly into your hair and scalp. Leave on for at least 1 minute. Follow with your regular shampoo and conditioner.
- **Post-Conditioner Treatment:** After conditioning, rinse out the conditioner and squeeze out excess water from your hair. Apply the hot oil treatment and massage through your hair for at least 1 minute. Rinse and style as desired.

For best results, ensure even distribution of the oil from roots to ends.

5. CARE AND MAINTENANCE

To maintain healthy hair and maximize the benefits of the treatment:

- Use the hot oil treatment regularly as part of your hair care routine.
- Store the product in a cool, dry place away from direct sunlight.
- Ensure the cap is tightly closed after each use to prevent contamination.

6. TROUBLESHOOTING

This product is generally straightforward to use. If you encounter any issues:

- **Product not warming:** Ensure the water used for heating is sufficiently warm. Do not use boiling water or microwave the tube.
- **Hair feels greasy:** You may be using too much product or not rinsing thoroughly enough. Try reducing the amount or rinsing for a longer duration.
- **Scalp irritation:** Discontinue use immediately and consult a healthcare professional if irritation persists.

7. SPECIFICATIONS
