## 4.2. Setting the Time

1. Locate the time-setting knob on the back of the clock mechanism.
2. Gently turn the knob clockwise or counter-clockwise to set the hour and minute hands to the correct time.
3. Ensure the hands are moving freely and are not obstructed.

## 5. OPERATING INSTRUCTIONS

Your Bulova B1700 Grand Prix Table Clock features a quiet sweep movement, ensuring silent operation without any ticking sounds. Once the battery is installed and the time is set, the clock will begin to keep accurate time automatically.

### 5.1. General Operation

- The clock operates continuously once powered by the AA battery.
- No winding or daily adjustments are required under normal conditions.

### 5.2. Placement

This clock is designed for indoor use and can be placed on any flat, stable surface such as a desk, shelf, or mantelpiece. Its elegant design complements various interior decors.
