MAUL 2325190

MAUL 2325190 A4 Plastic Black Clipboard Instruction Manual

PRODUCT OVERVIEW

The MAUL 2325190 is an A4 plastic clipboard designed for various uses in the workplace, home, or for study projects. It features a durable 3mm thick, unbreakable plastic board and a strong metal spring clamp with a wide plastic grip, offering approximately 8mm clamping width. A paper stop on the left side ensures sheets are held straight.

SETUP

Setting up your MAUL A4 Plastic Black Clipboard is straightforward:

1. **Unpack:** Carefully remove the clipboard from its packaging.

2. **Prepare Documents:** Gather the A4 size documents you wish to secure on the clipboard.

3. **Insert Documents:** Press the top of the wide plastic clamp to open it. Slide your documents under the clamp. Ensure the left edge of your documents aligns with the integrated paper stop for straight positioning.

4. **Secure Documents:** Release the clamp to firmly hold the documents in place.

OPERATING INSTRUCTIONS

The MAUL clipboard is designed for simple and effective document management:

- **Using the Clamp:** The wide plastic clamp is operated by pressing down on its top edge. This action opens the clamp, allowing you to insert or remove papers. Release the pressure to close the clamp and secure your documents. The strong metal spring ensures a firm grip.

- **Utilizing the Paper Stop:** An integrated paper stop is located along the left edge of the clipboard. Align your documents against this stop to ensure they are held perfectly straight and prevent shifting during use.

MAINTENANCE

To ensure the longevity and optimal performance of your MAUL clipboard:

- **Cleaning:** Wipe the plastic surface with a soft, damp cloth. For stubborn marks, a mild soap solution can be used. Avoid harsh chemical cleaners or abrasive materials, as these can damage the plastic.

- **Clamp Care:** Periodically check the clamp mechanism for any debris or obstructions. Ensure the metal spring is clean and moves freely. Do not attempt to disassemble the clamp.

- **Storage:** Store the clipboard in a dry environment, away from direct sunlight or extreme temperatures, to prevent material degradation.

TROUBLESHOOTING

If you encounter any issues with your clipboard, consider the following:

- **Documents not holding securely:**

  - Ensure the clamp is fully closed and no foreign objects are obstructing the mechanism.
  - Check if the paper stack exceeds the maximum clamping width of approximately 8mm. Reduce the number of sheets if necessary.

- **Paper not straight:**

- Verify that the paper stop on the left side is correctly utilized and documents are aligned firmly against it before closing the clamp.

SPECIFICATIONS

Brand	MAUL
Model Number	2325190
Dimensions (L x W x H)	34 x 23 x 1 cm
Weight	249.48 grams
Color	Black
Material Type	Plastic
Sheet Size	A4
Max Sheet Capacity	40 sheets
Country of Origin	Germany
