Hasbro Titanium Series Star Wars Obi-Wan's Jedi Starfighter Instruction Manual

Model: 34864

INTRODUCTION

This manual provides essential instructions for the assembly, operation, and care of your Hasbro Titanium Series Star Wars Obi-Wan's Jedi Starfighter. This die-cast metal vehicle is designed for collectors and enthusiasts aged 4 years and up. Please read these instructions carefully before handling the product.

PRODUCT OVERVIEW

The Obi-Wan's Jedi Starfighter is a detailed die-cast metal replica from the Star Wars universe. It features an opening cockpit and comes with a display stand for showcasing. The design reflects the vehicle's appearance as piloted by Obi-Wan Kenobi.

SETUP

1. **Unboxing:** Carefully remove the Jedi Starfighter and its display stand from the packaging. Retain packaging for future reference or storage.
2. **Stand Assembly:** The display stand typically consists of two parts: a base and a clear support arm. Insert the support arm securely into the designated slot on the base.
3. **Mounting the Starfighter:** Gently place the Jedi Starfighter onto the support arm of the display stand. Ensure it is stable and balanced.

OPERATING

This product is a collectible display model. Its primary function is for display. The cockpit canopy can be opened manually to reveal interior details. Handle with care to avoid damage.

- **Opening Cockpit:** Gently lift the front edge of the cockpit canopy to open it. Close by pressing it down until it clicks securely.
- **Display:** Position the starfighter on its stand on a flat, stable surface away from direct sunlight or extreme temperatures.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the model and stand. Avoid abrasive cleaners or solvents.
- **Storage:** When not on display, store the model in its original packaging or a protective container to prevent damage.
- **Handling:** Always handle the model by its main body, avoiding delicate parts like wings or antennae.

TROUBLESHOOTING

- **Loose Parts:** If any small parts become loose, carefully reattach them if possible. For significant damage, contact customer support.
- **Display Stand Instability:** Ensure the support arm is fully inserted into the base and the starfighter is correctly balanced on the arm.
