### Bush Furniture WC12922

# Bush Business Furniture Series C Desk Shell Instruction Manual

Model: WC12922 - Mocha Cherry

## 1. PRODUCT OVERVIEW

---

The Bush Business Furniture Series C 60W x 43D Right Hand L-Bow Desk Shell in Mocha Cherry is designed to expand your workspace with a classic style, clean lines, and extended modesty panels. Constructed with thermally fused laminate, this desk shell offers durability and resistance to scratches and stains. It is designed to integrate seamlessly with other Series C Collection components to create a comprehensive workstation.

## 2. KEY FEATURES

---

- **Durable Construction:** Thermally fused laminate work surfaces provide superior resistance to scratches and stains.
- **Robust Design:** All work surfaces and leg end panels are 1 inch thick for enhanced strength and long-term use.
- **Expandable Workspace:** Designed to accept any Credenza or Return Bridge on the right side, allowing for an expansive corner workstation.
- **Integrated Wire Management:** Features grommets on both the desktop and legs to conceal cables, maintaining an uncluttered work area.
- **Adjustable Levelers:** Equipped with adjustable levelers to compensate for uneven floor surfaces and ensure stability.
- **Compatibility:** Compatible with Series C Elite Collection for cohesive office styling.

### 3. ASSEMBLY INSTRUCTIONS

---

This product requires assembly. For detailed step-by-step instructions, please refer to the instruction manual included with your purchase. It is recommended that two people perform the assembly to ensure ease and safety.

### 3.1 Tools Required

- Hammer
- Screwdriver

### 3.2 Pre-Assembly Checklist

1. Unpack all components and verify against the parts list provided in your manual.
2. Ensure you have a clear, spacious area for assembly.
3. Identify all hardware and components before beginning.

### 3.3 Adjusting Levelers

The desk is equipped with adjustable levelers on the base of the legs. After assembly, rotate these levelers clockwise or counter-clockwise to raise or lower individual corners of the desk, ensuring a stable and level work surface.

## 4. USAGE GUIDELINES

---

The Series C L-Bow Desk Shell is designed for general office and home office use. Its spacious surface provides ample room for computer equipment, documents, and other work essentials. The integrated wire management system helps keep your workspace tidy by routing cables through the desktop and leg grommets.

- Position the desk in a location that allows for comfortable access and sufficient clearance for movement.
- Utilize the wire management grommets to organize power cords and data cables, preventing tangles and potential hazards.
- The desk surface can accommodate a monitor arm with a post for ergonomic display positioning.
- Consider adding compatible accessories such as keyboard trays or mobile pedestals for enhanced functionality and storage.

## 5. CARE AND MAINTENANCE

---

Proper care and maintenance will ensure the longevity and appearance of your Bush Business Furniture desk.

- **Cleaning:** Wipe the desk surfaces with a damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the laminate finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the laminate.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters or protective pads under hot beverages or dishes. Protect the desk from excessive moisture.
- **Sunlight Exposure:** Prolonged exposure to direct sunlight may cause fading or discoloration over time.
- **Weight Distribution:** Distribute weight evenly across the desk surface. Do not exceed the maximum weight capacity of 200 lbs.

## 6. TROUBLESHOOTING

---

### 6.1 Desk Wobbles After Assembly

If the desk wobbles or is unstable after assembly, it is likely due to an uneven floor surface.

- **Solution:** Utilize the adjustable levelers located at the bottom of each leg. Rotate them clockwise to raise a corner or counter-clockwise to lower it until the desk is stable and level.

### 6.2 Minor Scuffs or Imperfections

While packaging is designed to protect the product, minor scuffs can occasionally occur during transit.

- **Solution:** For minor surface scuffs, a furniture touch-up pen matching the Mocha Cherry finish may be used. For significant damage, please contact customer support.
