Bush Business Furniture Series C 60W Hutch Instruction Manual

1. PRODUCT OVERVIEW

The Bush Business Furniture Series C 60W Hutch is designed to provide abundant storage in your workspace. It features concealed storage behind four doors with self-closing Euro-style hinges for a soft close. This hutch integrates seamlessly with a 60W desk, offering a cohesive style for personalized workspaces. A finished back panel allows for use in dividing workstations and helps conceal cables with an integrated wire pass-through area. This product is suitable for various office environments, from small home offices to large corporate settings.

2. KEY FEATURES

- Constructed from durable engineered wood.
- Thermally fused laminate work surfaces offer superior resistance to scratches and stains.
- Designed for easy mounting onto a 60W or larger desk, credenza, or return.
- Four doors conceal an open storage compartment, providing a clean and organized appearance.
- Features a fully finished back panel with integrated wire access for cable management.
- Compatible with one Task Light for additional illumination (Task Light sold separately).

3. SETUP AND ASSEMBLY

Assembly of the Bush Business Furniture Series C 60W Hutch is required. Detailed instructions are included with your purchase in PDF format. It is recommended to review these documents thoroughly before beginning assembly. Ensure you have adequate space to lay out all components.

4. OPERATING INSTRUCTIONS

The 60W Hutch provides accessible storage for your office essentials. The four doors open to reveal a spacious compartment, ideal for organizing documents, supplies, or decorative items. The self-closing Euro-style hinges ensure a smooth and quiet operation when opening and closing the doors.

Image 4.1: A detailed view of the hutch's internal shelving, showing how items can be organized within the compartments.

Utilize the integrated wire pass-through area at the back to manage and conceal cables from electronic devices placed on the desk surface below the hutch.

5. MAINTENANCE

To maintain the appearance and longevity of your Bush Business Furniture Series C 60W Hutch, wipe surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the thermally fused laminate finish. Promptly clean any spills to prevent staining.

6. TROUBLESHOOTING

This product is designed for durability and performance. Should you encounter any issues, please ensure all assembly steps have been followed correctly and all fasteners are securely tightened. For persistent problems or concerns, please

refer to the Warranty and Support section for contact information.
