Edushape 975054

Edushape Magic Shapes Magnetic Foam Building Blocks, 54 Piece Instruction Manual

Model: 975054

1. Introduction

Thank you for choosing Edushape Magic Shapes Magnetic Foam Building Blocks. This 54-piece set is designed to foster creativity, develop motor skills, and encourage mental growth in children aged 3 years and up. The bright, colorful, and multi-shaped pieces provide a visually stimulating experience, assisting in the development of color and shape recognition.

This manual provides essential information for the safe and effective use, maintenance, and care of your magnetic foam building blocks.

2. Safety Information

- **Age Recommendation:** This product is recommended for children aged 36 months (3 years) to 6 years.
- **Choking Hazard:** Not for children under 3 years due to small parts. Adult supervision is recommended during play, especially with younger children.
- **Magnet Safety:** Ensure all magnetic pieces remain intact. If any magnets become loose or detached, discontinue use immediately and dispose of the product safely. Ingested magnets can cause serious injury.
- **Material Safety:** The foam blocks are designed for safe play. Avoid biting or chewing on the blocks to prevent damage and potential ingestion of small pieces.

3. Setup and Preparation

1. **Unboxing:** Carefully remove all 54 pieces from the packaging.
2. **Initial Inspection:** Before first use, inspect all foam blocks and magnetic components to ensure they are in good condition and free from damage.
3. **Sticker Application (if applicable):** Some sets may include decorative stickers for the magnetic board or specific pieces. Apply these according to the visual guides on the packaging or included leaflet. Ensure stickers are firmly pressed to prevent peeling.
4. **Magnetic Board:** The set includes a magnetic board. Position it on a flat, stable surface or attach it to a magnetic-compatible surface for vertical building.

4. Operating Instructions and Creative Play

The Edushape Magic Shapes are designed for open-ended play, allowing children to explore their imagination and develop various skills.

- **Connecting Pieces:** Each foam block contains embedded magnets. Simply bring two magnetic surfaces together to connect them. The magnets allow for flexible connections, enabling both 2D and 3D constructions.
- **Building Motor Skills:** Encourage stacking, connecting, and gripping pieces to enhance fine and gross motor skills,

as well as hand-eye coordination.

- **Mental Growth:** Experiment with placing, stacking, and connecting pieces to develop logic, reasoning, and abstract thinking skills.
- **Encourage Creativity:** Use the diverse shapes and colors to create new scenarios, encouraging storytelling, vocabulary building, and imaginative play. Children can build anything from simple towers to complex structures, animals, or vehicles.
- **Visually Stimulating:** The bright, colorful, multi-shaped pieces aid in the development of color and shape recognition.

5. Care and Maintenance

To ensure the longevity and hygiene of your Edushape Magic Shapes, follow these care instructions:

1. **Cleaning:** The foam blocks can be easily cleaned. Wash them with mild soap and water, or place them in the top rack of a dishwasher.
2. **Drying:** After washing, ensure all pieces are thoroughly dried before storing to prevent mold or mildew. Air dry completely.
3. **Storage:** Store the blocks in a clean, dry place away from direct sunlight and extreme temperatures to maintain their foam integrity and magnetic strength.

Image 5: Two children smiling while playing with Edushape magnetic foam blocks, highlighting safe play.

6. Troubleshooting

- **Weak Magnetic Connection:** If pieces do not connect strongly, ensure the magnetic surfaces are clean and dry. Over time, excessive wear or exposure to extreme conditions might slightly reduce magnetic strength.
- **Damaged Pieces:** If any foam blocks are torn, punctured, or if magnets become exposed, discontinue use immediately to prevent potential hazards.
- **Missing Pieces:** In case of missing pieces, please refer to the warranty and support section for contact information.

7. Product Specifications

Feature	Detail
Product Dimensions	11.81 x 7.87 x 3.94 inches

Item Weight	12.8 ounces
ASIN	B000WN6Y8M
Item Model Number	975054
Manufacturer Recommended Age	36 months - 6 years
Number of Pieces	54
Manufacturer	Edushape
