OXO Good Grips Handheld Mandoline Slicer Instruction Manual

Model: 1119100

PRODUCT OVERVIEW

The OXO Good Grips Handheld Mandoline Slicer is designed for efficient and precise slicing of various fruits and vegetables. Its adjustable blade allows for consistent slice thickness, making food preparation easier and safer. The ergonomic design ensures comfortable handling, whether slicing directly onto a plate, cutting board, or over a bowl.

IMPORTANT SAFETY INFORMATION

WARNING: The blade is very sharp. Always use the food holder to prevent injury. Do not leave within reach of children.

SETUP AND ASSEMBLY

The OXO Good Grips Handheld Mandoline Slicer comes pre-assembled and ready for use. Ensure all components, including the main slicer body and the food holder, are present and undamaged before first use.

OPERATING YOUR MANDOLINE SLICER

Adjusting Slice Thickness

The mandoline offers three adjustable slice thickness settings for versatility:

- **1 mm:** For very thin slices, ideal for potato chips or delicate garnishes.
- **2.5 mm:** A medium thickness suitable for salads, gratins, or stir-fries.
- **4 mm:** The thickest setting, perfect for heartier slices of vegetables.

To adjust the thickness, locate the slider on the side of the mandoline and move it to the desired setting (1, 2.5, or 4 mm). Ensure the blade is in the locked position when not in use or when adjusting settings.

Using the Food Holder

The included food holder is crucial for safe operation and to maximize yield from your ingredients. It protects your hands from the sharp blade.

1. Securely press the food item onto the prongs of the food holder.
2. Place the food holder with the attached item onto the mandoline's slicing surface.
3. Apply gentle, even pressure and slide the food holder back and forth over the blade to create uniform slices.
4. Continue slicing until the food item is fully processed or too small to safely hold.

Slicing Techniques

The OXO Mandoline Slicer is versatile for various ingredients and slicing needs:

- **For Apples:** Achieve thin, even slices for tarts or snacks.

Image: An apple being sliced into thin, uniform pieces using the mandoline.

- **For Bell Peppers:** Create consistent rings or strips for stir-fries or salads.

Image: A bell pepper being sliced into rings on the mandoline.

- **For Onions and Radishes:** Produce delicate, uniform slices for garnishes or quick pickling.

CARE AND CLEANING

The OXO Good Grips Handheld Mandoline Slicer is dishwasher safe for convenient cleaning. For best results and to maintain blade sharpness, hand washing with warm, soapy water is recommended. Always use caution when cleaning the blade.

TROUBLESHOOTING

If you experience uneven slices, ensure the food item is firmly secured in the food holder and the thickness adjustment slider is fully engaged in your desired setting. For optimal performance, ensure the blade is clean and

free of debris before each use.

PRODUCT SPECIFICATIONS

Brand	OXO
Product Dimensions	3.75"L x 0.5"W x 11.5"H
Material	Stainless Steel
Color	White
Special Feature	Dishwasher Safe
Recommended Uses For Product	Vegetable
Product Care Instructions	Dishwasher Safe
Blade Material	Stainless Steel
Item Weight	8.8 ounces
Blade Length	8.5 Inches
Blade Shape	Round
Operation Mode	Manual
Manufacturer	OXO
UPC	719812021911
