Clorox ToiletWand Toilet Cleaning System Instruction Manual

Model: 03191

Brand: CLOROX

PRODUCT OVERVIEW

The Clorox ToiletWand system provides an efficient and hygienic solution for toilet cleaning. This all-in-one system includes a wand with a long handle, disposable scrubbing pads preloaded with Clorox cleaner, and a storage caddy for convenience.

The preloaded cleaner in each disposable scrubbing pad is designed to kill 99.9% of germs and effectively tackle hard water and lime stains faster than traditional methods. The disposable nature of the pads ensures a mess-free cleanup, as they can be easily detached and discarded after use.

MAINTENANCE

The Clorox ToiletWand system is designed for minimal maintenance. The cleaning pads are disposable and should be discarded after each use, eliminating the need for cleaning or sanitizing a traditional toilet brush.

The wand handle and storage caddy can be wiped clean with a damp cloth and mild detergent as needed to maintain hygiene.

TROUBLESHOOTING

The Clorox ToiletWand system is straightforward to use. If you encounter any issues, please review the operating instructions to ensure correct usage.

For persistent problems or questions not covered in this manual, please contact Clorox customer support.
