Coloplast 1607

Baza Antifungal Skin Protectant User Manual

Brand: Coloplast | Model: 1607

PRODUCT OVERVIEW

Baza Antifungal Skin Protectant is formulated to treat and relieve the pain and discomfort associated with superficial fungal infections, particularly those linked to incontinence. It contains 2% Miconazole Nitrate, an active ingredient known for its antifungal properties. This product is effective in addressing conditions such as jock itch, ringworm, and athlete's foot.

Key Features:

- Provides a moisture barrier against urine and feces.
- Relieves and prevents the discomfort of diaper dermatitis in patients ranging from newborns to geriatrics.
- Contains 2% Miconazole Nitrate to inhibit fungal growth.

IMPORTANT DRUG FACTS

Understanding the drug facts is crucial for safe and effective use of Baza Antifungal Skin Protectant. Refer to the product packaging for complete details.

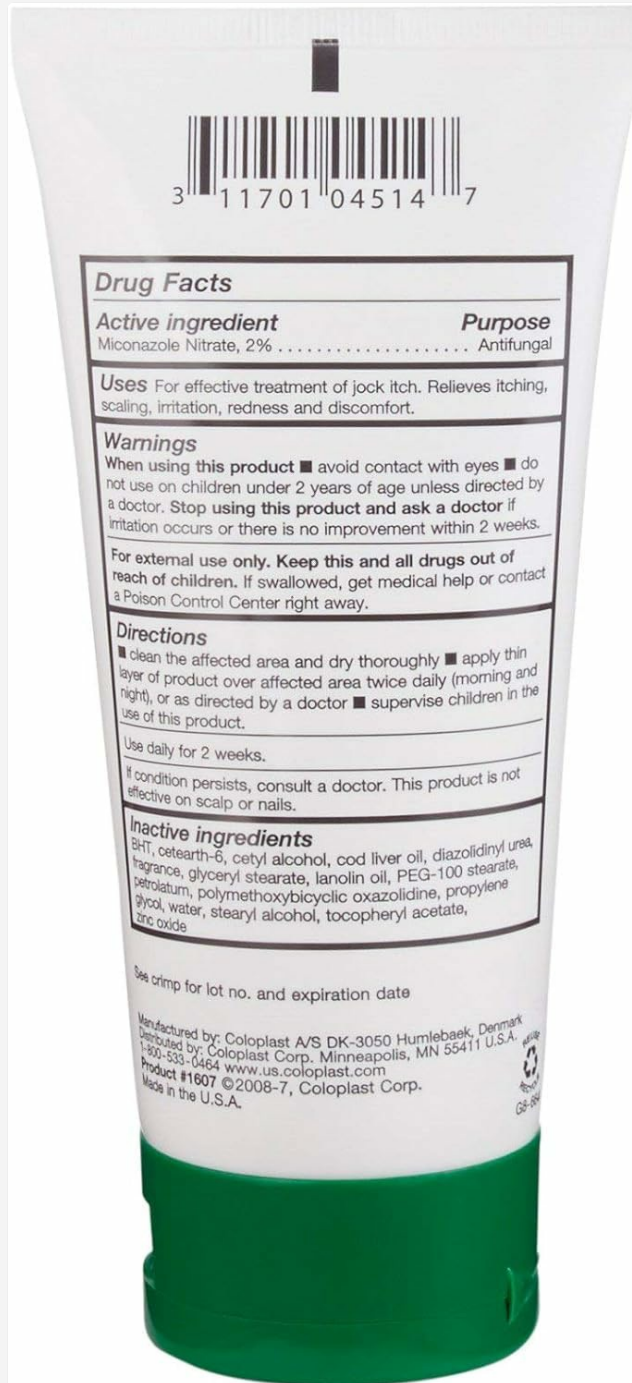

Image: Back of the Baza Antifungal tube, displaying the "Drug Facts" panel with active ingredients, uses, warnings, and directions.

Active Ingredient:

Miconazole Nitrate, 2% - Purpose: Antifungal

Uses:

For effective treatment of jock itch. Relieves itching, scaling, irritation, redness and discomfort.

USAGE INSTRUCTIONS

Setup and Preparation:

- 1. Clean the affected area thoroughly.
- 2. Dry the affected area completely before application.

Operating (Application):

- 1. Apply a thin layer of product over the affected area.
- 2. Apply twice daily (morning and night), or as directed by a doctor.
- 3. Supervise children in the use of this product.
- 4. Use daily for 2 weeks.

WARNINGS AND PRECAUTIONS

- Avoid contact with eyes.
- Do not use on children under 2 years of age unless directed by a doctor.
- For external use only.
- Keep this and all drugs out of reach of children.
- If swallowed, get medical help or contact a Poison Control Center right away.
- This product is not effective on scalp or nails.

Troubleshooting (When to Stop Use):

- Stop using this product and ask a doctor if irritation occurs.
- Stop using this product and ask a doctor if there is no improvement within 2 weeks.
- If condition persists, consult a doctor.

Proposition 65 Warning: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, visit www.P65Warnings.ca.gov.
