Zadro SL47

Zadro SL47 Fluorescent Lighted Pedestal Makeup Mirror

Model: SL47 | Brand: Zadro

INTRODUCTION

Thank you for purchasing the Zadro SL47 Fluorescent Lighted Pedestal Makeup Mirror. This high-quality mirror is designed to provide optimal illumination and magnification for your grooming and makeup application needs. Featuring a 9.5-inch round mirror with 7x magnification and a long-lasting 100-watt fluorescent light, it ensures clear and detailed reflection.

IMPORTANT SAFETY INSTRUCTIONS

When using electrical products, especially when children are present, basic safety precautions should always be followed, including the following:

- **DANGER:** To reduce the risk of electrocution: Always unplug this appliance from the electrical outlet immediately after using and before cleaning.
- Do not use while bathing or in a shower.
- Do not place or store appliance where it can fall or be pulled into a tub or sink.
- Do not place in or drop into water or other liquid.
- Do not reach for an appliance that has fallen into water. Unplug immediately.
- **WARNING:** To reduce the risk of burns, electrocution, fire, or injury to persons:
 - An appliance should never be left unattended when plugged in.
 - Close supervision is necessary when this appliance is used by, on, or near children or invalids.
 - Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by the manufacturer.
 - Never operate this appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return the appliance to a service center for examination and repair.
 - Keep the cord away from heated surfaces.
 - Never use while sleeping.
 - Never drop or insert any object into any opening.
 - Do not use outdoors or operate where aerosol (spray) products are being used or where oxygen is being

administered.

- To disconnect, turn all controls to the OFF position, then remove plug from outlet.
- Do not use this mirror with a dimmer switch.
- Ensure the mirror is placed on a stable, flat surface to prevent tipping.

PACKAGE CONTENTS

Upon opening the package, please verify that all components are present and undamaged:

- 1 x Zadro SL47 Fluorescent Lighted Pedestal Makeup Mirror
- 1 x Fluorescent Bulb (pre-installed)
- 1 x Power Cord (integrated)

SETUP INSTRUCTIONS

1. **Unpack the Mirror:** Carefully remove the mirror and all packaging materials from the box.
2. **Choose a Location:** Place the mirror on a stable, flat, and dry surface, such as a vanity or countertop. Ensure it is near an electrical outlet.
3. **Plug In:** Insert the power cord plug into a standard electrical outlet.

OPERATING INSTRUCTIONS

- Power On/Off:** Locate the power switch on the base of the mirror. Flip the switch to the "ON" position to illuminate the mirror. Flip it to the "OFF" position to turn off the light.
- Using Magnification:** The mirror features 7x magnification on one side for detailed tasks like applying eyeliner or tweezing. The other side provides a true-to-life reflection. Rotate the mirror head to switch between magnifications.
- Adjusting Angle:** The flexible neck allows you to adjust the mirror head to your desired viewing angle. Gently bend the neck to position the mirror.

CARE AND MAINTENANCE

Cleaning the Mirror:

- Always unplug the mirror before cleaning.
- Wipe the mirror surface with a soft, damp cloth. Do not use abrasive cleaners or chemicals, as they may damage the finish or mirror coating.
- Dry thoroughly with a clean, soft cloth.

Bulb Replacement:

The fluorescent bulb is designed for long-lasting use (approximately 10,000 hours). If replacement is necessary, please contact Zadro customer support for guidance on obtaining the correct replacement bulb and instructions for safe replacement.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Mirror light does not turn on.	Not plugged in. Power switch is OFF. Fluorescent bulb is burnt out.	Ensure the mirror is securely plugged into a working electrical outlet. Flip the power switch to the "ON" position. Contact Zadro customer support for bulb replacement.
Light is dim or flickers.	Bulb nearing end of life. Loose connection.	Contact Zadro customer support for bulb replacement. Ensure the mirror is securely plugged in. If problem persists, discontinue use and contact support.
Mirror appears blurry (magnified side).	Incorrect viewing distance. Mirror surface is dirty.	For magnified mirrors, you need to be very close to the mirror (typically 2-6 inches) for a clear image. Experiment with distance. Clean the mirror surface as per the "Care and Maintenance" section.
