

InAir INSHL

InAir Space Explorer Space Shuttle Launch Center Playset Instruction Manual

Model: INSHL | Brand: InAir

PRODUCT OVERVIEW

The InAir Space Explorer Space Shuttle Launch Center Playset offers an engaging and educational experience, featuring highly detailed space vehicles inspired by actual NASA designs. This playset encourages imaginative play and learning about space exploration.

Key Features:

- Includes a 100 Years of Rocketry Educational Poster.
- Diecast metal and plastic construction for durability.
- Space Shuttle features metal bay doors that open to reveal a satellite.
- Authentic space vehicle designs for realistic play.

PACKAGE CONTENTS

Please ensure all the following components are present in your package:

Image: All components of the Space Explorer Space Shuttle Launch Center Playset.

- Space Shuttle with External Tank and Solid Rocket Boosters
- Launch Platform
- Gas Tanker Truck
- Space Rover Vehicle
- Satellite Model
- Lunar Lander Model
- Two Astronaut Figures
- "Space Adventure" Sign

- Small Rocket Model
- 100 Years of Rocketry Educational Poster

SETUP INSTRUCTIONS

1. **Assemble the Space Shuttle:** Carefully attach the Space Shuttle to the External Tank and Solid Rocket Boosters. Ensure all connections are secure.
2. **Position on Launch Platform:** Place the assembled Space Shuttle and booster system onto the designated slots on the Launch Platform.
3. **Prepare Accessories:** Assemble the Satellite by unfolding its solar panels. Position the Lunar Lander, Gas Tanker Truck, Space Rover, and "Space Adventure" sign as desired around the launch center.
4. **Place Astronauts:** Position the astronaut figures to simulate pre-launch activities or space exploration.

Your browser does not support the video tag.

Video: This video demonstrates the assembly of various components of a space-themed playset, including attaching parts of a rocket, assembling a satellite, and placing astronaut figures.

OPERATING INSTRUCTIONS

1. **Open Shuttle Bay Doors:** Gently open the metal bay doors on the Space Shuttle to reveal the satellite inside. Close them securely after use.
2. **Maneuver Vehicles:** The Gas Tanker Truck and Space Rover are free-rolling vehicles. Push them along flat surfaces to simulate ground operations.
3. **Engage in Imaginative Play:** Use the various components and astronaut figures to create your own space exploration scenarios.

MAINTENANCE

- **Cleaning:** Wipe all components with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not immerse in water.
- **Storage:** Store the playset in a cool, dry place away from direct sunlight to prevent material degradation.
- **Inspection:** Periodically inspect all parts for any signs of wear or damage. Replace any broken components to ensure safe play.

TROUBLESHOOTING

- **Parts Detaching Easily:** If components like the boosters or launch platform supports seem loose, ensure they are fully inserted and aligned correctly. Gentle handling during play can also prevent accidental detachment.
- **Shuttle Bay Doors Not Closing Properly:** Check for any obstructions or misalignment. Ensure the satellite is correctly positioned inside before attempting to close the doors.

SPECIFICATIONS

Product Dimensions:	6 x 6 x 12 inches
Item Weight:	1.4 pounds
Model Number:	INSHL

Manufacturer:	WowToyz
Recommended Age:	5 - 8 years
Material:	Diecast metal and plastic
