NOW Foods Vitamin C-500 with Rose Hips

Model: 0672

Brand: NOW Foods

INTRODUCTION

NOW Foods Vitamin C-500 with Rose Hips is a dietary supplement formulated to provide antioxidant protection and support immune system function. This product contains Vitamin C, an essential nutrient known for its vital role in immune system function and collagen production, which is important for skin, bone, and joint health. It also aids in amino acid metabolism and the utilization of various nutrients, including folic acid and iron.

Rose hips, a natural source of ascorbic acid, are included to complement the Vitamin C formula. Natural color variation may occur in this product.
