Lavazza BLUE Espresso Dolce Coffee Capsules: User Manual

Model: 8000070109209

INTRODUCTION

This manual provides essential information for the proper use and care of Lavazza BLUE Espresso Dolce Coffee Capsules. These capsules are designed exclusively for use with Lavazza BLUE espresso machines, ensuring a consistent and high-quality coffee experience.

The Espresso Dolce blend is a 100% Arabica coffee, characterized by a mild and creamy medium roast with a sweet aroma and notes of caramelized nuts. Each pack contains 100 single-serve capsules, blended and roasted in Italy.

SETUP AND COMPATIBILITY

Lavazza BLUE Espresso Dolce capsules are specifically designed for use with **Lavazza BLUE coffee machines only**. Attempting to use these capsules in other coffee machine systems may result in damage to the machine or poor coffee extraction.

1. **Unpack Capsules:** Carefully remove the desired number of capsules from the packaging. Ensure the capsules are intact and not damaged.
2. **Prepare Machine:** Ensure your Lavazza BLUE machine is clean, filled with fresh water, and powered on according to its specific user manual.
3. **Check Capsule Integrity:** Before insertion, visually inspect each capsule. Capsules that appear flat or damaged may not brew correctly and should not be used.

OPERATING INSTRUCTIONS

Follow these steps to brew espresso using your Lavazza BLUE machine and Espresso Dolce capsules:

1. **Open Capsule Compartment:** Lift the lever or open the designated compartment on your Lavazza BLUE machine where capsules are inserted.
2. **Insert Capsule:** Place one Lavazza BLUE Espresso Dolce capsule into the compartment. Ensure it is seated correctly.
3. **Close Compartment:** Close the lever or compartment firmly. The machine is now ready to brew.
4. **Place Cup:** Position your espresso cup under the coffee dispenser.
5. **Start Brewing:** Select your desired cup size or press the brew button on your machine. The machine will begin extracting the espresso.
6. **Remove Used Capsule:** Once brewing is complete, open the capsule compartment. The used capsule will typically drop into an internal collection bin. Dispose of the used capsule responsibly.

CARE AND STORAGE

- **Storage:** Store unused Lavazza BLUE Espresso Dolce capsules in a cool, dry place, away from direct sunlight and strong odors. Keep them in their original sealed packaging until ready for use to maintain freshness.
- **Machine Cleaning:** Regularly clean your Lavazza BLUE machine according to its specific instruction manual. This includes descaling, cleaning the drip tray, and emptying the used capsule container.
- **Disposal:** Dispose of used coffee capsules and packaging materials in accordance with local recycling guidelines.

TROUBLESHOOTING

If you encounter issues while using your Lavazza BLUE Espresso Dolce capsules, consider the following:

- **No Coffee or Weak Brew:**

- Ensure the water tank is filled.
 - Verify the capsule is correctly inserted and the compartment is fully closed.
 - Check if the capsule itself is damaged or appears flat; a compromised seal can affect brewing.
 - Refer to your Lavazza BLUE machine's manual for machine-specific issues like pump problems or blockages.
- **Capsule Not Fitting:**
 - Confirm you are using genuine Lavazza BLUE capsules. These capsules are unique and not compatible with other systems.
 - Ensure there are no obstructions in the capsule compartment.
- **Unusual Taste:**
 - Ensure capsules are stored correctly (cool, dry, away from strong odors).
 - Clean your coffee machine thoroughly, including descaling, as mineral buildup can affect taste.
