## Bemis 1500EC

# Bemis 1500EC Elongated Toilet Seat User Manual

Model: 1500EC | Brand: Bemis

## INTRODUCTION

The Bemis 1500EC Elongated Toilet Seat is designed for durability and ease of maintenance. Constructed from molded wood with a high-gloss finish, it resists chipping and scratching. The innovative Easy Clean & Change hinges allow for quick removal and reattachment, simplifying the cleaning process. This manual provides essential information for proper installation, operation, and care to ensure optimal performance and longevity of your toilet seat.

## INSTALLATION GUIDE

Follow these steps for a straightforward installation of your Bemis 1500EC toilet seat.

### Tools and Hardware

- **Tool Needed:** Flat-head screwdriver
- **Hardware Included:** Plastic bolts and wing nuts

### Step-by-Step Installation

1. **Prepare the Toilet:** Ensure the toilet bowl is clean and free of any old hardware.
2. **Insert Bolts:** Place the plastic bolts into the holes at the back of the toilet bowl.

3. **Tighten Wing Nuts:** From underneath the toilet bowl, thread and tighten the wing nuts onto the bolts. Ensure they are snug but do not overtighten.
4. **Unlock Hinges:** On the new toilet seat, locate the twist caps on the hinges. Turn them to the unlocked position (usually indicated by an open padlock icon or an arrow).
5. **Attach Seat:** Align the seat's hinges with the inserted bolts and press down firmly until the seat clicks into place.
6. **Lock Hinges:** Turn the twist caps on the hinges to the locked position (closed padlock icon or opposite arrow direction) to secure the seat.

# Easy Installation

Watch the installation video on this page for more detail

## OPERATING THE EASY CLEAN & CHANGE FEATURE

The Easy Clean & Change feature allows for quick removal of the seat for thorough cleaning.

1. **Unlock Hinges:** Turn the twist caps on the hinges to the unlocked position.
2. **Lift Seat:** Gently lift the entire toilet seat assembly straight up from the bolts.
3. **Reattach Seat:** After cleaning, align the seat with the bolts and press down until it clicks into place.
4. **Lock Hinges:** Turn the twist caps back to the locked position to secure the seat for use.

## CARE AND CLEANING

To maintain the high-gloss finish and extend the life of your Bemis toilet seat, follow these cleaning guidelines:

- Use only **mild soap and water** for regular cleaning.
- Wipe the seat thoroughly with a soft cloth.
- **DO NOT** use abrasive cleaners, harsh chemicals, or bleach, as these can damage the finish and material.

### CLEANING YOUR TOILET SEAT

To preserve your seat's glossy finish, we recommend cleaning with either:

- Anti-bacterial wipes
- Dish soap
- Anti-bacterial hand soap

**Do Not Use  
Bleach or Harsh Chemicals**

## TROUBLESHOOTING

### Loose Seat

If your toilet seat feels loose or wobbly, ensure the wing nuts underneath the toilet bowl are securely tightened. Also,

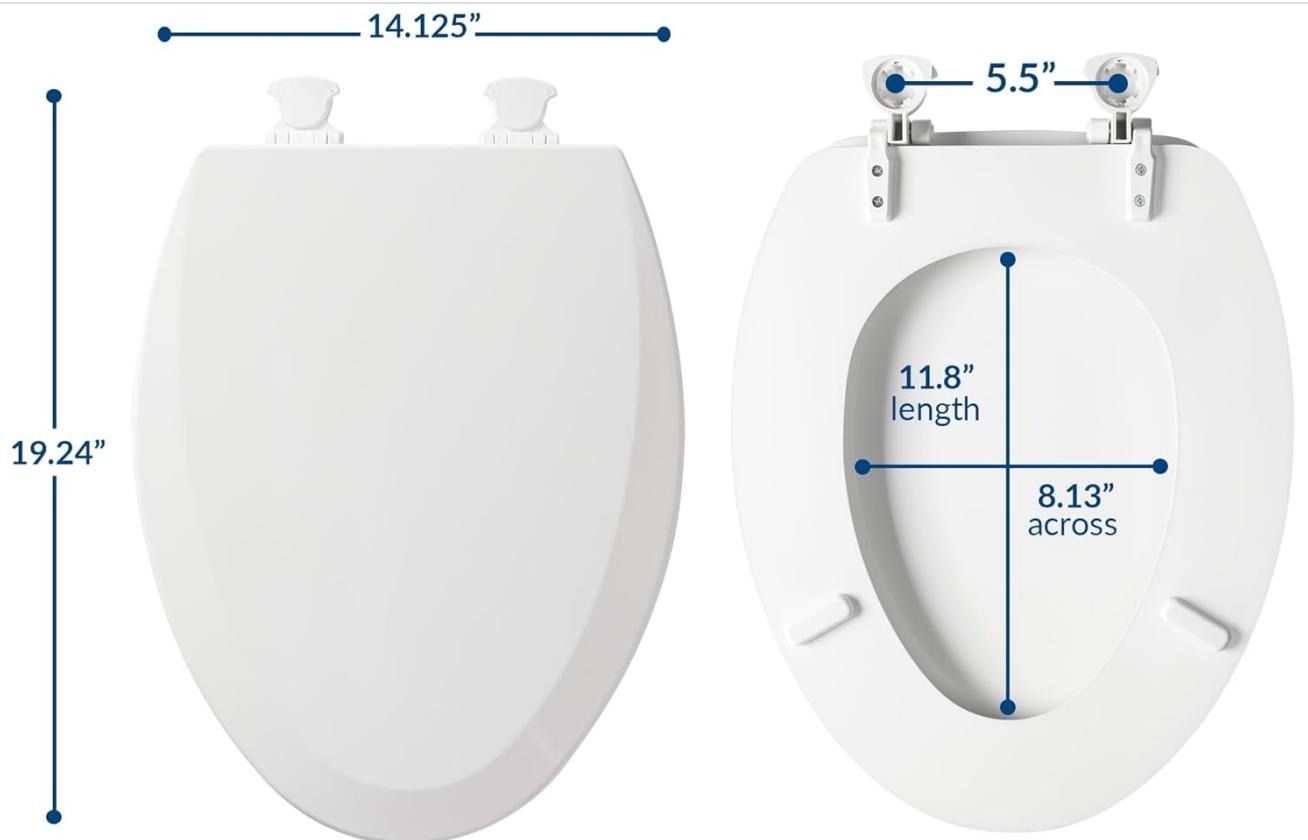

check that the twist caps on the hinges are in the locked position. Re-tighten if necessary.

## Cracking or Chipping

While designed for durability, extreme impact or prolonged exposure to harsh chemicals can cause damage. If cracking or chipping occurs, it may be time to replace the seat. Refer to the cleaning instructions to prevent premature wear.

## PRODUCT SPECIFICATIONS

Attribute	Detail
Color	White
Material	Wood
Style	Elongated
Product Dimensions	18.5" L x 16.5" W
Item Weight	7 Pounds
UPC	073088126320

## Elongated Product Dimensions
