Njoy Pure Wand

Njoy Pure Wand Instruction Manual

Model: Pure Wand

Brand: Njoy

1. INTRODUCTION AND OVERVIEW

The Njoy Pure Wand is a body-safe instrument crafted from medical-grade stainless steel, designed for targeted internal massage. It features a distinct curved shape with two spherical ends of differing diameters, facilitating varied sensations and precise application. This product is intended for adult use only.

2. PRODUCT FEATURES

- **Material:** Constructed from medical-grade stainless steel for durability and body safety.
- **Design:** Ergonomically curved shape for comfortable handling and targeted reach.
- **Spherical Ends:** Features two distinct spherical ends, approximately 1 inch and 1.5 inches in diameter, for versatile stimulation.
- **Weight:** The solid stainless steel construction provides a substantial weight, contributing to its unique tactile experience.
- **Water Resistance:** Designed to be waterproof for easy cleaning and use in various environments.

3. SAFETY INFORMATION

- This product is intended for adult use only.
- Always clean the wand thoroughly before and after each use as per the 'Cleaning and Maintenance' section.

- Use only with water-based lubricants. Oil-based lubricants may degrade certain materials or be difficult to clean.
- Discontinue use immediately if any discomfort, pain, or irritation occurs.
- Do not use on broken, irritated, or swollen skin.
- Consult a healthcare professional if you have any pre-existing medical conditions or concerns before using this product.
- Keep out of reach of children.

4. SETUP

1. **Unpacking:** Carefully remove the Njoy Pure Wand from its packaging.
2. **Inspection:** Visually inspect the wand for any signs of damage or manufacturing defects. If any issues are found, do not use the product and contact customer support.
3. **Initial Cleaning:** Before the first use, thoroughly clean the wand according to the instructions provided in the 'Cleaning and Maintenance' section.

5. OPERATING INSTRUCTIONS

1. **Lubrication:** Apply a generous amount of water-based lubricant to the desired spherical end of the Njoy Pure Wand and to the area of the body where it will be used.
2. **Insertion:** Gently introduce the lubricated end of the wand. The curved design is intended to assist in reaching specific internal areas.
3. **Exploration:** Experiment with different angles, pressures, and movements to discover preferred sensations. The two different sized spheres offer varied tactile experiences.
4. **Temperature:** Stainless steel can be warmed or cooled. For a warmer sensation, run the wand under warm water before use (ensure it is thoroughly dried). For a cooler sensation, briefly chill it (e.g., in a refrigerator, not freezer).

6. CLEANING AND MAINTENANCE

6.1. Cleaning Before and After Each Use

- Wash the Njoy Pure Wand thoroughly with warm water and a mild, toy-safe soap.
- Rinse completely under running water to ensure all soap residue is removed.
- Dry the wand completely with a clean, lint-free cloth or allow it to air dry before storage.

6.2. Storage

- Store the clean and dry wand in a clean, dry place, away from direct sunlight and extreme temperatures.
- Consider storing it in its original packaging or a dedicated storage pouch to protect the polished surface from scratches.

7. TROUBLESHOOTING

Issue: Discomfort during use.

Solution: Ensure adequate water-based lubricant is applied. Adjust pressure and angle of use. If discomfort persists, discontinue use.

Issue: Wand feels too cold.

Solution: Stainless steel naturally conducts temperature. Allow the wand to warm to body temperature or warm it gently with warm water before use (ensure it is dried thoroughly afterward).

Issue: Difficulty cleaning.

Solution: Use a soft brush or cloth to reach all surfaces. For stubborn residue, a diluted solution of toy cleaner can be used, followed by thorough rinsing.
