Dark Void - Xbox 360 User Manual

Capcom

1. PRODUCT OVERVIEW

Dark Void is a sci-fi action-adventure game developed by Capcom for the Xbox 360 platform. It combines aerial and on-foot combat within a parallel universe known as "The Void." Players assume the role of Will, a pilot who becomes trapped in this dimension and joins a group of survivors battling a mysterious alien race.

The game features a unique blend of third-person shooter mechanics with a vertical combat system, allowing players to utilize a jetpack for fierce in-air combat and gravity-defying maneuvers. Key elements include seamless transitions between ground and air combat, a unique grip system for scaling walls and hijacking enemy vehicles, and encounters with large bosses.

2. SETUP

2.1 Console Setup

Ensure your Xbox 360 console is properly connected to your television and power source. Verify that all necessary cables (HDMI or AV) are securely plugged in.

2.2 Game Installation

1. Insert the Dark Void game disc into the Xbox 360 disc drive.
2. Follow the on-screen prompts to install the game to your console's hard drive. Installation is recommended for optimal performance.
3. Ensure your console has sufficient storage space for the game installation and any potential updates.

3. OPERATING THE GAME

3.1 Basic Controls

Dark Void utilizes standard third-person shooter controls with additional mechanics for aerial combat and vertical movement. Familiarize yourself with the Xbox 360 controller layout.

- **Movement:** Left Analog Stick
- **Camera Control:** Right Analog Stick
- **Fire Weapon:** Right Trigger
- **Aim Weapon:** Left Trigger
- **Jump/Activate Jetpack:** A Button
- **Melee Attack:** B Button
- **Interact/Reload:** X Button
- **Cover:** Y Button (contextual)
- **Switch Weapons:** D-Pad

3.2 Gameplay Mechanics

The core gameplay revolves around transitioning between ground combat and aerial combat using the jetpack. The unique vertical combat system allows for strategic engagements from different elevations.

- **Jetpack Flight:** Once acquired, the jetpack allows for rapid movement and dogfighting. Controls for flight may differ from ground movement and can be customized in the game options.
- **Vertical Cover:** Utilize environmental elements for cover in vertical spaces, allowing you to shoot enemies above or below you.
- **Grip System:** This system enables Will to scale walls by jumping between surfaces and to hijack UFOs mid-flight.

3.3 Weapon Upgrades

Collect Tech Points by defeating enemies to upgrade your weapons. Each weapon can be upgraded in three stages, improving their effectiveness in combat.

4. MAINTENANCE

For optimal performance and longevity of your game disc and console, consider the following:

- Keep the game disc clean and free of scratches. Store it in its original case when not in use.
- Ensure your Xbox 360 console has adequate ventilation to prevent overheating.
- Regularly check for and install system updates for your Xbox 360 to ensure compatibility and performance.

5. TROUBLESHOOTING

If you encounter issues while playing Dark Void, refer to the following common solutions:

Problem	Solution
Game freezes or crashes	Ensure the game disc is clean. Restart the console. Check for console system updates. If issues persist, try reinstalling the game.
Disc read error	Clean the game disc with a soft, lint-free cloth. Ensure the disc is inserted correctly.
Controls unresponsive	Check controller battery levels. Re-sync the controller with the console.
Audio/Video issues	Verify all audio/video cables are securely connected. Check console display settings.

6. SPECIFICATIONS

- **Number of Players:** 1
- **Platform:** Xbox 360
- **Release Date:** January 19, 2010
- **Language:** English
- **Rated:** Teen
- **Item Model Number:** 013388330096
- **Manufacturer:** Capcom USA
- **Product Dimensions:** 0.56 x 5.37 x 7.6 inches
- **Item Weight:** 3.67 ounces
