# Revlon Manicure To Go 4 Piece Set Instruction Manual

Model: 2530-95 (9228-17) | Brand: REVLON

## INTRODUCTION

The Revlon Manicure To Go 4 Piece Set provides all the essential tools for achieving a professional manicure at home or on the go. This compact and portable kit is designed for ease of use, ensuring your nails look their best with minimal effort.

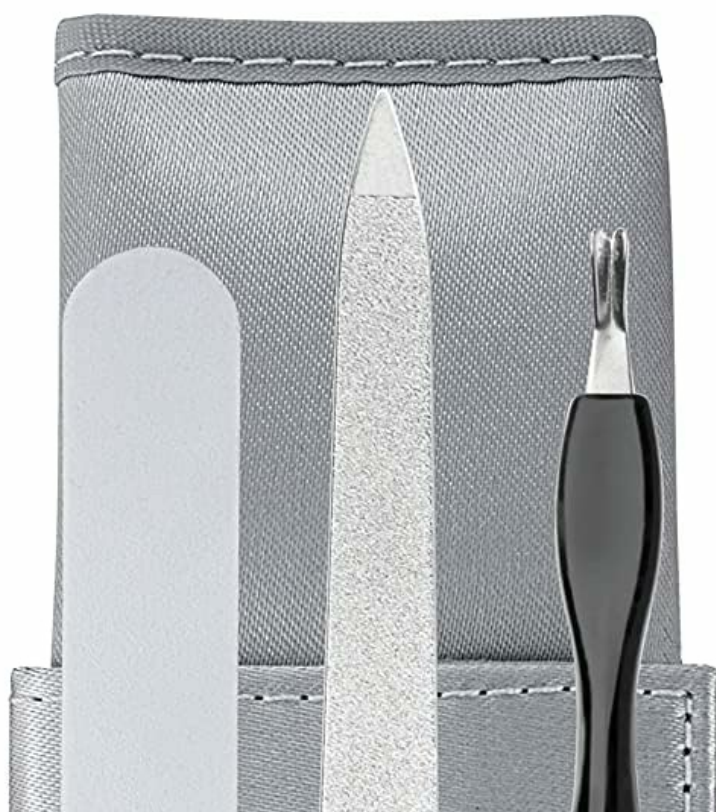

Image: The Revlon Manicure To Go 4 Piece Set, featuring the compact carrying case and the four included tools: a dual-ended cuticle trimmer, a curved blade nail clip, a compact Emeryl file, and a buffer.

## PACKAGE CONTENTS

Your Revlon Manicure To Go 4 Piece Set includes the following items:

- **Dual-ended Cuticle Trimmer:** Features a contoured end to push back cuticles and a V-shaped end to gently remove excess cuticles.
- **Curved Blade Nail Clip:** Designed for precise and easy nail trimming.
- **Compact Emeryl File:** Used for shaping and smoothing nails.
- **Buffer:** Creates a brilliant, natural high-gloss shine on nails.
- **Deluxe Nylon Carrying Case:** Protects and organizes all tools for easy transport.

## PREPARATION FOR MANICURE

1. **Clean Nails:** Ensure your nails are clean. If they are dirty, soak them in warm, soapy water for a few minutes to soften them and make them easier to trim and shape.
2. **Comfortable Space:** Find a well-lit and comfortable area to perform your manicure. Good lighting is essential for clear visibility of your nails.

## OPERATING INSTRUCTIONS

### Using the Dual-ended Cuticle Trimmer

The dual-ended cuticle trimmer helps maintain neat and healthy cuticles.

1. **Push Back Cuticles:** Use the contoured end of the trimmer to gently push back your cuticles.
2. **Remove Excess Cuticles:** Carefully glide the metal V-tip end, with the V-tip facing up, along the cuticle edge to remove any excess cuticles for a clean finish. Exercise caution to avoid cutting the skin.

## Using the Curved Blade Nail Clip

For precise and safe nail trimming, follow these steps:

1. **Position the Clipper:** Hold the nail clip with your dominant hand. Position the curved blade at the edge of your nail, ensuring you leave a small amount of the white nail tip intact.
2. **Trim the Nail:** Apply gentle pressure and squeeze the handles of the nail clip to cut through the nail. Trim from each side of the nail towards the center. Do not cut below the natural nail line, as this may cause discomfort or ingrown nails.
3. **Repeat:** Trim each nail on both hands, following the same process.

## Using the Compact Emeryl File

To shape and smooth your nails:

1. **Shape Nails:** Use the shaping side of the Emeryl file to achieve your desired nail shape.
2. **Smooth Edges:** Use the finishing side to smooth the nail edge. Always file in one direction to prevent damage or splitting of the nails.

## Using the Buffer

For a brilliant, natural shine:

1. **Buffing Steps:** The buffer typically has multiple sides with different grits. Follow the numbered steps on the buffer (e.g., Step 1, Step 2) to progressively smooth and shine your nails.
2. **Achieve Shine:** Use the final side of the buffer to create a high-gloss shine.

## MAINTENANCE AND CARE

- **Cleaning:** Regularly clean your nail tools (clipper, trimmer, file) with soap and water or an alcohol wipe to prevent the spread of bacteria and infection. Ensure they are completely dry before storing.
- **Storage:** Store all tools in the provided deluxe nylon carrying case to protect them from damage and keep them organized.
- **Replacement:** Replace tools if they become dull, damaged, or show signs of wear that could affect performance or safety.

## SPECIFICATIONS

Feature	Detail
Brand	REVLON
Model Number	9228-17
UPC	309972530950

Product Dimensions	6 x 5 x 4 inches
Item Weight	0.96 ounces (0.06 Pounds)
Material	Acrylic (for some components, likely the buffer/file handles)
Color	Multicolor
Included Components	Dual-ended Cuticle Trimmer, Curved Blade Nail Clip, Compact Emeryl File, Buffer, Deluxe Nylon Carrying Case
