Playskool Clipo Basic Blocks Set Instruction Manual

Model: 09965

INTRODUCTION

Welcome to the Playskool Clipo Basic Blocks Set. This manual provides essential information for the safe and enjoyable use of your new building toy. The Clipo Basic Blocks Set is designed to encourage creativity and fine motor skills in young children through unique, easily connectable peg-covered shapes. Please read these instructions carefully before use and retain them for future reference.

PRODUCT OVERVIEW

The Playskool Clipo Basic Blocks Set includes 20 colorful, peg-covered shapes that easily connect to each other. These blocks allow children to construct various creative structures, people, places, and things.

Image 1: The Playskool Clipo Basic Blocks Set packaging, featuring a child engaging with the colorful blocks. The box indicates "Over 18 months" and "20 Clipo parts".

Components:

- 20 assorted colorful Clipo blocks with peg-covered surfaces.

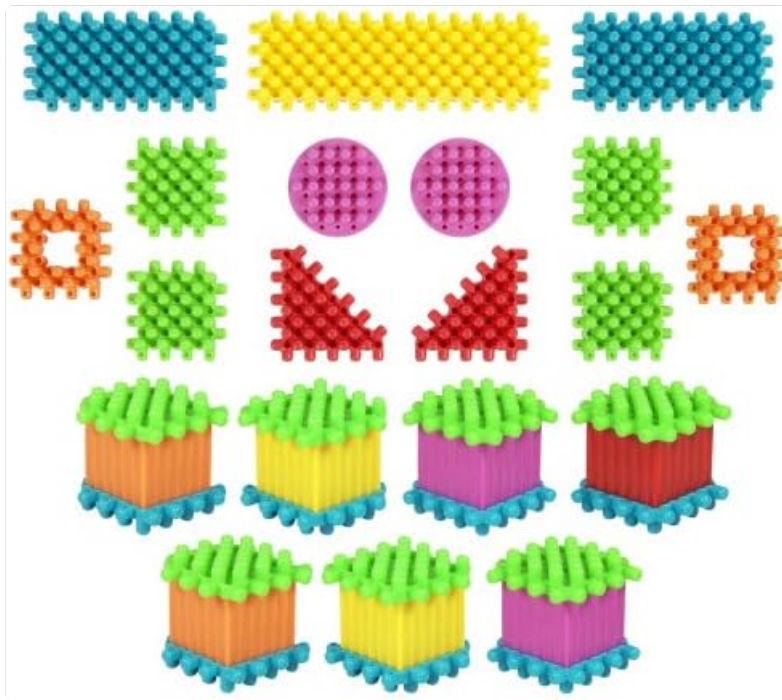

Image 2: An overhead view displaying the variety of Clipo blocks included in the set. Shapes include rectangular, square, triangular, and circular pieces, along with larger cube-like structures, all in bright colors like blue, yellow, green, orange, pink, and red.

SETUP

The Playskool Clipo Basic Blocks Set requires no assembly. The blocks are ready for play directly out of the packaging.

OPERATING INSTRUCTIONS

Using the Clipo blocks is straightforward and encourages open-ended play:

1. **Select Blocks:** Choose any two or more Clipo blocks you wish to connect.
2. **Connect Surfaces:** Align the peg-covered surfaces of the blocks.
3. **Press Together:** Gently press the blocks together until the pegs interlock. The unique design allows for connections from multiple angles.
4. **Build and Create:** Experiment with different shapes and colors to construct various objects, animals, or abstract designs.
5. **Expand Play:** For even more building possibilities, additional Clipo block sets (sold separately) can be integrated with this set.

The blocks are designed for indoor use and are suitable for children aged 18 months and up.

MAINTENANCE

To ensure the longevity and hygiene of your Clipo blocks, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the blocks with a damp cloth and mild soap if necessary. Rinse thoroughly with clean water and allow them to air dry completely before storing.
- **Storage:** Store the blocks in a clean, dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically inspect blocks for any signs of wear or damage. Discontinue use if any parts are broken or compromised.

TROUBLESHOOTING

While Clipo blocks are designed for easy connection, occasional issues may arise:

- **Blocks Not Sticking Well:** Ensure that the peg surfaces are clean and free from debris. Apply firm, even pressure when connecting. If blocks consistently fail to connect securely, inspect them for any manufacturing defects or excessive wear.
- **Lost Pieces:** Keep all blocks together in a designated storage container to prevent loss.

SPECIFICATIONS

Model Number	09965
Brand	Playskool
Number of Pieces	20
Material Type	Plastic
Recommended Age	18 months and up
Product Dimensions (L x W x H)	7.32 x 20.32 x 16.51 cm
Item Weight	453.59 g (approximately 1 Pound)
Language	English
Manufacturer	Hasbro
Indoor/Outdoor Use	Indoor
Batteries Required	No
