Andis Blade Care Plus Spray (16 oz) Instruction Manual

Model: AD708 12

1. PRODUCT OVERVIEW

The Andis Blade Care Plus 16-Ounce Spray is a multi-purpose solution formulated for the comprehensive care of clipper blades. It functions as a coolant, deodorizer, lubricant, cleaner, rust preventative, and decontaminant, enriched with Vitamin E. This product is designed to remove hair buildup and other accumulations, ensuring blades remain clean, lubricated, and cool for optimal performance.

Image 1.1: Front view of the Andis Blade Care Plus spray bottle, detailing its 7-in-1 functions for clipper blades.

Key Features:

- Washes away hair buildup and helps maintain blades.
- Deodorizes, cools, lubricates, and contains a rust preventative.
- Acts as a decontaminant and cleaner.
- Lubricates and cleans tools rapidly.
- Formulated as a human/animal eco-safe solution.

2. SAFETY INFORMATION

Read all safety information before using this product.

- May cause skin or eye irritation.
- Keep out of reach of children.
- Do not ingest.
- Store in a cool, dry place away from heat and open flames.

- Dispose of in accordance with local regulations.

First Aid:

- **Eyes:** Immediately rinse with water for at least 15 minutes. Get medical attention if any discomfort continues.
- **Inhaled:** Inhalation is unlikely, but if it occurred, remove person immediately from source. Get medical attention if any discomfort continues. For breathing difficulties, give oxygen. If breathing stops, provide artificial respiration and call 911. Call poison control center or doctor for further treatment.

4. OPERATING INSTRUCTIONS

Follow these steps for effective blade care:

1. With the clipper running, spray Andis Blade Care Plus directly onto the blades for 10 seconds.
2. Ensure enough spray to cover steel/ceramic cutters only.
3. Do not spray onto the plastic housing of the clipper.

4. Wipe excess spray from the blades with a clean, dry cloth.
5. For further lubrication, apply Andis Clipper Oil and wipe dry.

5. MAINTENANCE BENEFITS

Regular use of Andis Blade Care Plus contributes to the longevity and performance of your clipper blades by:

- Washing away hair, buildup, and preservatives that accumulate on clipper blades.
- Providing a lubricating film that reduces friction and heat during operation.
- Preventing rust formation on metal components.
- Decontaminating surfaces for hygienic use.

6. STORAGE AND DISPOSAL

Storage:

Store in a cool, dry area away from heat sources. Do not contaminate water, food, or feed by the use, storage, or disposal of this product.

Disposal:

Offer empty container for recycling. If recycling is not available, discard empty container in trash.

Note: The use of this product assumes all risks of use. Storage and handling must be in accordance with its directions and cautions.
