Techni Mobili RTA-8336-C09

Techni Mobili Compact Computer Desk

MODEL: RTA-8336-C09

Brand: Techni Mobili

1. Product Overview

The Techni Mobili Compact Computer Desk is designed for space efficiency, featuring a sturdy construction of heavy-duty engineered wood panels with a moisture-resistant PVC laminate veneer and a scratch-resistant powder-coated steel frame. It includes a slide-out keyboard shelf with a safety stop and a side accessory shelf.

- Heavy-duty MDF panels with moisture resistant PVC laminate veneer.
- Scratch resistant powder-coated steel frame.
- Pull-out keyboard tray equipped with safety stop.
- Side accessory shelf.

2. Safety Information

- **Weight Capacity:** Do not exceed the maximum weight capacities. The desktop supports up to 80 lbs, the keyboard shelf supports up to 30 lbs, and the side accessory shelf supports up to 30 lbs.
- **Assembly:** Ensure all components are securely fastened during assembly. Loose parts can lead to instability and injury.
- **Placement:** Place the desk on a level surface to prevent wobbling and potential tipping.
- **Children:** Keep children away from the assembly area. Do not allow children to climb on the desk.
- **Sharp Edges:** Inspect all edges, especially on sliding components, for any sharp points and address them if necessary.

3. Package Contents

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, contact customer support.

- Desktop Panel
- Keyboard Tray Panel
- Side Accessory Shelf Panel
- Steel Frame Components (Legs, Supports)
- Hardware Pack (Screws, bolts, washers, etc.)
- Assembly Instructions Manual

Note: Assembly tools are not included and must be provided by the user. A Phillips head screwdriver is typically required.

4. Setup and Assembly

The desk requires assembly. Follow the included instructions carefully to ensure proper assembly and stability. It is recommended that two people assemble the desk for ease and safety.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all hardware and panels using the parts list in the separate assembly guide.
3. Attach the steel frame components according to the diagrams provided in the assembly guide. Ensure all screws are tightened securely but do not overtighten.
4. Install the desktop panel onto the assembled frame.
5. Mount the slide-out keyboard tray and the side accessory shelf. Ensure the keyboard tray slides smoothly and the safety stop functions correctly. The side accessory shelf can be installed on either the left or right side of the desk.
6. Once fully assembled, gently lift and place the desk in its desired location. Avoid dragging the desk to prevent damage to the floor or the desk's feet.

DIMENSIONS

RTA-8336-C09

PRODUCT SIZE

43"W x 19.5"D x 30"H

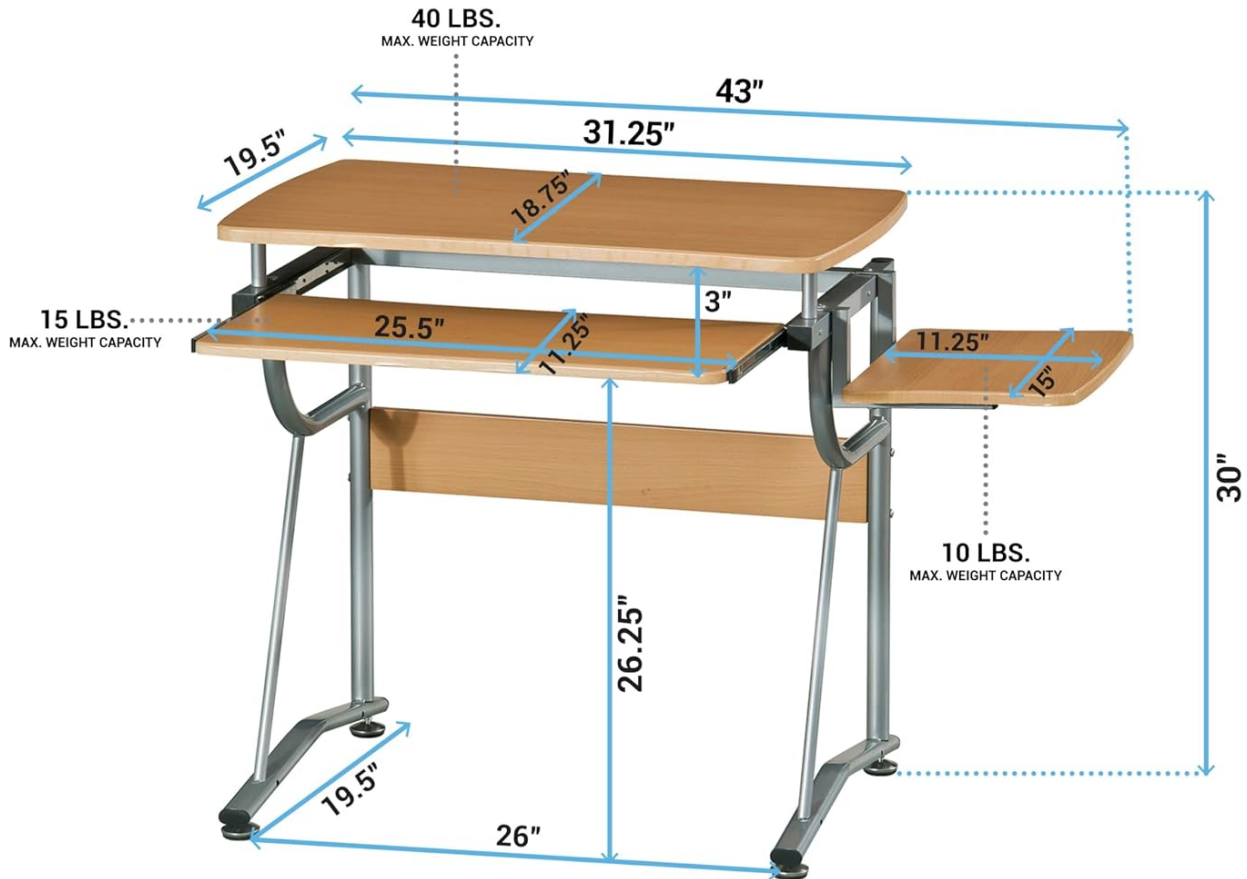

Image: Detailed diagram illustrating the dimensions and maximum weight capacities for the desktop, keyboard tray, and side shelf.

5. Operating Instructions

- **Desktop Usage:** Place your monitor, laptop, or other equipment on the main desktop surface. Ensure the total weight does not exceed 80 lbs.
- **Keyboard Tray:** The slide-out keyboard tray is designed to hold your keyboard and mouse. Pull it out gently for use and push it back in when not needed. The safety stop prevents it from sliding out completely. Do not place heavy items on the keyboard tray (max 30 lbs).
- **Side Accessory Shelf:** Use this shelf for smaller items such as a printer, speakers, or office supplies. Ensure the weight does not exceed 30 lbs. This shelf can be positioned on either side of the desk during assembly.

6. Maintenance

- **Cleaning:** Wipe and spot clean the desk surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Hardware:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain stability.
- **Environment:** Avoid exposing the desk to extreme temperatures or humidity, which can affect the wood panels and laminate.

7. Troubleshooting

- **Desk is Wobbly:** Check that all screws and bolts are securely tightened. Ensure the desk is placed on a flat, even surface. The adjustable feet on the base can be used to compensate for uneven floors.

- **Keyboard Tray Sticks:** Ensure the sliding rails are clean and free of debris. Check that the tray is installed correctly and not misaligned. A small amount of silicone lubricant can be applied to the rails if needed.
- **Missing Parts:** If any parts are missing upon unboxing, refer to the package contents list and contact Techni Mobili customer support for assistance.

8. Specifications

Brand	Techni Mobili
Model Number	RTA-8336-C09
Product Dimensions (D x W x H)	19.5"D x 43"W x 30"H
Color	Cherry
Top Material Type	Engineered Wood
Frame Material Type	Steel
Desktop Weight Capacity	80 lbs
Keyboard Tray Weight Capacity	30 lbs
Side Shelf Weight Capacity	30 lbs
Assembly Required	Yes
Warranty	5 Year Limited Warranty

9. Warranty and Support

This Techni Mobili product is covered by a **5 Year Limited Warranty**. This warranty covers defects in material and workmanship under normal use and service.
