Carmex PC311

Carmex Classic Lip Balm Jar (Model PC311) Instruction Manual

Brand: Carmex

1. Product Overview

The Carmex Classic Lip Balm Jar (Model PC311) is designed to provide soothing relief and protection for dry, chapped lips. Its unique formula helps to cool, soothe, and hydrate, promoting healing and creating a long-lasting protective barrier.

Image 1: Front view of the Carmex Classic Lip Balm Jar, highlighting its iconic yellow lid and branding.

- Cools and soothes lips with camphor and menthol.
- Glides on smoothly to help soften and hydrate lips with moisturizing cocoa butter.
- Provides a long-lasting protective barrier to help promote healing.

2. Usage Instructions

2.1. Application

Apply Carmex Classic Lip Balm freely to affected areas. For best results, apply before exposure to sun, wind, or cold to prevent chapping. Reapply as needed throughout the day.

2.2. Directions from Label

- Adults and children 2 years of age and older: apply to lips not more than 3 to 4 times daily.
- Children under 2 years of age: ask a doctor.

3. Safety Information

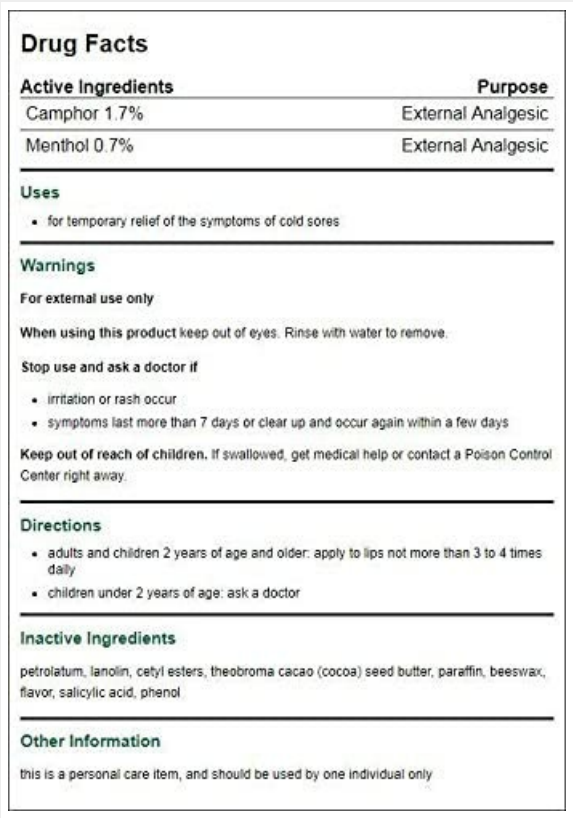

This product is for external use only. Read all warnings and instructions carefully before use.

3.1. Warnings

- When using this product, keep out of eyes. Rinse with water to remove.
- Stop use and ask a doctor if:
  - Irritation or rash occur.
  - Symptoms last more than 7 days or clear up and occur again within a few days.
- Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

3.2. Personal Care Item

This is a personal care item and should be used by one individual only to maintain hygiene and prevent the spread of germs.
