Techni Mobili RTA-B002

Techni Mobili Adjustable Height Rolling Laptop Cart with Storage (Model RTA-B002)

Official Instruction Manual

Introduction

Thank you for choosing the Techni Mobili Adjustable Height Rolling Laptop Cart with Storage. This versatile cart is designed to enhance your workspace with its adjustable height, mobility, and integrated storage solutions. Crafted from heavy-duty MDF wood panels with a moisture-resistant PVC laminate veneer and a scratch-resistant powder-coated steel frame, it offers durability and functionality. This manual provides detailed instructions for assembly, operation, and maintenance to ensure optimal use and longevity of your product.

Safety Information

Please read all safety information carefully before assembly and use.

- Ensure all parts are securely fastened during assembly.
- Do not exceed the maximum weight capacity of 22 lbs for the table top, accessory shelf, and bottom shelf.
- Always engage the locking mechanisms on the casters when the cart is in a stationary position to prevent unintended movement.
- Keep hands clear of moving parts when adjusting the height.
- Avoid placing hot items directly on the surface without protection.
- This product contains Proposition 65 warning.

Setup and Assembly

Assembly is required for this product. Follow the included instructions to assemble the base, desktop, and shelves. Ensure all parts are securely fastened and the casters are properly attached with locking mechanisms. A screwdriver is recommended for assembly.

For detailed visual instructions, please refer to the official Installation Manual (PDF): Download Installation Manual

Operating Instructions

Height Adjustment

The cart features an adjustable height mechanism, allowing you to transition between sitting and standing positions.

1. Locate the dual adjustment knobs on the vertical support poles.
2. Loosen both knobs by turning them counter-clockwise.

3. Carefully raise or lower the tabletop to your desired height, between 27 and 43 inches.
4. Once the desired height is reached, tighten both knobs by turning them clockwise until secure. Ensure the tabletop is stable before placing items on it.

Storage Compartments

The cart includes an open storage compartment with an adjustable accessory shelf and a spacious bottom storage area to keep your work essentials organized and within reach.

- The accessory shelf can be adjusted to different heights to accommodate various items.
- The bottom compartment is suitable for larger items like binders or books.

Mobility and Locking Casters

The cart is equipped with double-wheel non-marking nylon casters for smooth movement. Two of the four casters include locking mechanisms for stability.

- To move the cart: Ensure the locking mechanisms on the casters are disengaged.
- To secure the cart: Push down the levers on the two locking casters until they click into place. This prevents the cart from rolling.

Maintenance

To maintain the appearance and functionality of your Techni Mobili Laptop Cart, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the laminate veneer.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Casters:** Keep casters free of debris to ensure smooth rolling.
- **Weight Capacity:** Do not overload the shelves or tabletop beyond their stated weight capacities to prevent damage.

Troubleshooting

If you encounter any issues with your laptop cart, please refer to the following common solutions:

- **Cart is unstable:** Ensure all assembly screws are tightened. Verify that the dual adjustment knobs are securely fastened after adjusting height. If stationary, ensure both locking casters are engaged.

- **Difficulty adjusting height:** Check that both adjustment knobs are sufficiently loosened before attempting to change the height. Ensure no obstructions are preventing movement.
- **Casters not rolling smoothly:** Inspect casters for any trapped debris (e.g., hair, lint) and remove it. Ensure the locking mechanisms are fully disengaged.
- **Damaged parts:** If any parts are damaged or missing upon arrival, please contact customer support for assistance.

Specifications

Feature	Detail
Brand	Techni Mobili
Model Number	RTA-B002-WG01
Model Name	RTA-B002
Color	Woodgrain
Product Dimensions (D x W x H)	15.75"D x 21.25"W x 31.25"H
