OXO 1140700

OXO Good Grips Mess-Free Pepper Grinder Instruction Manual

Brand: OXO | Model: 1140700

OVERVIEW

The OXO Good Grips Mess-Free Pepper Grinder is designed for convenience and cleanliness in your kitchen. It features a top-dispensing mechanism to prevent messes on your countertops. The grinder allows for easy adjustment of grind size, from fine to coarse, to suit various culinary needs. Its clear body provides visibility of the contents, and the non-corrosive ceramic grinding mechanism ensures durability and prevents flavor absorption. A soft, non-slip grip enhances comfortable operation.

Key Features:

- Grinds and dispenses from the top for clean storage.
- Sliding tab adjusts coarseness to five different settings.
- Non-corrosive ceramic grinder mechanism does not absorb flavors or odors.
- Rests flat while upside down for easy refilling.
- Soft, comfortable non-slip turning knob for comfortable operation.

SETUP

Filling the Grinder

To fill your OXO Good Grips Mess-Free Pepper Grinder, invert the grinder and twist off the bottom cap. Pour your desired peppercorns into the clear chamber. Once filled, securely twist the bottom cap back into place. The grinder is designed to rest flat when inverted, making the refilling process stable and mess-free.

Image: The bottom cap of the grinder is removed, revealing the chamber for peppercorns. This design allows for easy and stable refilling.

OPERATING INSTRUCTIONS

Adjusting Grind Size

The OXO Good Grips Pepper Grinder offers five adjustable grind settings. To change the coarseness, locate the sliding tab near the top of the grinder. Slide the tab to align with your desired grind size, indicated by the dots on the grinder. A smaller dot corresponds to a finer grind, while a larger dot indicates a coarser grind.

Grinding Pepper

Once the desired grind size is set, hold the grinder firmly and twist the top section. The ceramic grinding mechanism will crush the peppercorns, dispensing freshly ground pepper from the top. This top-dispensing design ensures that no residual pepper is left on your table or countertop after use.

Image: A hand holds the pepper grinder, twisting the top to activate the grinding mechanism and dispense pepper.

MAINTENANCE

Cleaning Instructions

- The OXO Good Grips Mess-Free Pepper Grinder is **hand wash only**. Do not place in a dishwasher.
- To clean, wipe the exterior with a damp cloth.
- For the ceramic grinding mechanism, it is recommended to grind a small amount of coarse salt to help clean out any residual pepper or other spices before switching to a new seasoning.
- Ensure all parts are completely dry before reassembling or refilling.

TROUBLESHOOTING

Common Issues and Solutions

- **Grinder not dispensing:** Check if the grinder is empty and requires refilling. Ensure the bottom cap is securely attached.
- **Inconsistent grind:** Verify that the grind size selector tab is firmly set to one of the five positions.
- **Difficulty turning:** If the grinder is stiff, ensure it is clean and free of debris. The non-slip grip should provide ample leverage.

SPECIFICATIONS

Feature	Detail
Model Number	1140700
Material	Stainless steel, Ceramic grinders, Plastic
Color	Stainless Steel
Product Dimensions	2.25"W x 5.5"H
Item Weight	0.59 Pounds (9.4 ounces)
Operation Mode	Manual
Capacity	140 Milliliters (4.73 oz)
Dishwasher Safe	No (Hand wash only)
UPC	719812024073
