Winco W670

Winco W670 Stainless Steel Beverage Server User Manual

Model: W670 | Brand: Winco

1. INTRODUCTION

The Winco W670 Stainless Steel Beverage Server is designed for efficient and reliable beverage service. Crafted from durable stainless steel, this 70-ounce server is suitable for both professional and home use, ensuring longevity and ease of maintenance. It is ideal for serving coffee, tea, water, or other beverages.

2. SAFETY INFORMATION

- **Hot Liquids:** Always exercise caution when handling the server, especially when it contains hot liquids. The exterior may become warm.
- **Handle with Care:** Ensure a firm grip on the handle when pouring to prevent spills or accidents.
- **Placement:** Place the server on a stable, heat-resistant surface.
- **Children:** Keep out of reach of children when filled with hot beverages.
- **Damage:** Do not use if the server is damaged or leaking.

3. PARTS LIST

The Winco W670 Beverage Server consists of the following main components:

- **Server Body:** The main stainless steel container.
- **Lid:** A removable lid to cover the opening and retain heat.
- **Handle:** An attached handle for safe and comfortable pouring.
- **Spout:** Integrated pouring spout for controlled dispensing.

4. SETUP

1. **Unpacking:** Carefully remove the beverage server from its packaging. Retain packaging for future storage or transport if needed.
2. **Initial Cleaning:** Before first use, wash the server and lid thoroughly with warm, soapy water. Rinse completely and dry with a soft cloth to prevent water spots.

5. OPERATING INSTRUCTIONS

1. **Filling:** Open the lid and carefully pour your desired beverage into the server. Do not overfill; leave adequate space to prevent spills when the lid is closed.
2. **Closing the Lid:** Securely place the lid back onto the server. The lid helps to maintain the beverage temperature.
3. **Pouring:** Hold the handle firmly and tilt the server to pour the beverage through the spout. Control the flow by adjusting the tilt angle.

6. CARE AND MAINTENANCE

Proper care will ensure the longevity and performance of your Winco W670 Beverage Server.

- **Cleaning:** The server is **dishwasher safe**. For best results, wash immediately after use. For hand washing, use warm, soapy water and a non-abrasive sponge or cloth.
- **Spout Cleaning:** Pay special attention to cleaning the spout area to prevent residue buildup. A small brush may be helpful for thorough cleaning.
- **Drying:** Dry thoroughly after washing to prevent water spots and maintain the stainless steel's luster.
- **Storage:** Store in a clean, dry place when not in use.
- **Avoid Abrasives:** Do not use abrasive cleaners or scouring pads, as these can scratch the stainless steel surface.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Server leaks from spout area.	Potential manufacturing defect or damage.	Discontinue use. Contact Winco customer support or your retailer for assistance.
Spout is difficult to clean.	Residue buildup.	Use a small brush or pipe cleaner to thoroughly clean the spout. Ensure regular cleaning after each use.
Handle feels uncomfortable during pouring.	Ergonomic design may not suit all users.	Adjust grip or use a towel for added comfort if necessary. This is a design characteristic.

8. SPECIFICATIONS
