Sauder Harbor View Computer Desk with Hutch

MODEL 401634 - ANTIQUED PAINT FINISH

Instruction Manual

1. Introduction

Thank you for choosing the Sauder Harbor View Computer Desk with Hutch. This manual provides essential information for the safe assembly, setup, operation, and maintenance of your new furniture. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Important Safety Information:

- Always follow the manufacturer's detailed assembly instructions provided with the product packaging.
- Ensure all hardware is securely fastened before use. Periodically check and tighten fasteners as needed.
- Do not overload drawers or shelves. Refer to the specifications for weight limits.
- This unit is heavy. Assembly and moving should be performed by two or more people to prevent injury.
- Keep small parts and packaging materials away from children.

2. Parts List

Your Sauder Harbor View Computer Desk with Hutch includes various engineered wood panels, hardware, and accessories necessary for assembly. A complete, detailed parts list with corresponding labels and quantities is provided in the manufacturer's assembly guide included with your product packaging. Please verify all parts are present and undamaged before starting assembly.

Key Components:

- Desk Top Surface
- Hutch Unit (with cubbyhole and vertical storage)
- Slide-out Keyboard/Mouse Shelf
- Two Small Storage Drawers
- One File Drawer (accommodates letter, legal, or European size hanging files)
- CPU Storage Area (behind louvered door)
- Various Hardware (screws, dowels, cam locks, drawer slides, handles)

3. Assembly Instructions

Assembly of the Sauder Harbor View Computer Desk with Hutch requires careful attention to the step-by-

step diagrams and instructions provided in the manufacturer's assembly manual. It is highly recommended to have at least two adults for assembly due to the size and weight of the components.

General Assembly Tips:

- Clear a large, open workspace.
- Organize all parts and hardware before beginning.
- Use a Phillips head screwdriver and a hammer. Avoid power drills to prevent overtightening and damage to the wood.
- Follow the instructions sequentially. Do not skip steps.
- The drawers feature a patented T-lock assembly system for efficient construction.

4. Setup and Placement

Once assembled, carefully move the desk to its desired location. Consider the following for optimal setup:

- **Level Surface:** Place the desk on a flat, level surface to ensure stability and prevent wobbling.
- **Clearance:** Ensure adequate space around the desk for comfortable use of the keyboard tray, drawers, and CPU access.

- **Environmental Conditions:** Avoid placing the desk in direct sunlight or near heat sources, which can affect the wood finish. Maintain a stable humidity level.

5. Operating Features

The Sauder Harbor View Computer Desk with Hutch is designed with several functional features to enhance your workspace:

- **Slide-Out Keyboard/Mouse Shelf:** This shelf glides on smooth metal runners, providing convenient access to your keyboard and mouse while keeping your main desk surface clear. It includes safety stops to prevent accidental removal.
- **Storage Drawers:** The desk features two smaller drawers for miscellaneous office supplies and a lower file drawer. The file drawer has full extension slides and can accommodate letter, legal, or European size hanging files for organized document storage.
- **CPU Storage:** A dedicated storage area behind the louver-detailed door is designed to house a vertical CPU tower, keeping it out of sight and protected.
- **Hutch Storage:** The hutch provides cubbyhole and vertical storage compartments, ideal for books, decorative items, or additional office supplies.

6. Maintenance and Care

To ensure the longevity and appearance of your Sauder Harbor View Computer Desk with Hutch, follow these care guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or polishes that may damage the Antiqued Paint finish.
- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Heat and Moisture:** Use coasters under beverages and protective pads under hot items to prevent damage to the surface.
- **Hardware:** Periodically check all screws and fasteners and tighten them as necessary to maintain structural integrity.

7. Troubleshooting

If you encounter issues with your desk, consider the following common solutions:

- **Wobbly Desk:** Ensure the desk is on a level surface. Check and tighten all assembly hardware.
- **Drawers Not Sliding Smoothly:** Verify that the drawer slides are correctly installed and free of obstructions. Ensure the drawer is not overloaded.
- **Parts Missing/Damaged:** Refer to the manufacturer's contact information in the warranty section for assistance with replacement parts.
