# Bburago Mercedes-Benz 300 SL (1954) Die-Cast Model Instruction Manual

Model: 18-22023

## 1. INTRODUCTION

Thank you for choosing the Bburago Mercedes-Benz 300 SL (1954) die-cast model. This highly detailed replica is crafted with a metal body and plastic interior, designed for collectors and enthusiasts. This manual provides essential information for the safe handling, operation, and maintenance of your model.

Please note that this product is supplied in assorted colors. The specific color received may vary based on availability.

## 2. SAFETY GUIDELINES

**WARNING:** This product is **not suitable for children under 3 years** due to small parts which may present a choking hazard. Adult supervision is recommended for all users.

- Keep away from open flames or high heat sources.
- Avoid dropping the model, as this may cause damage to delicate parts.
- Do not attempt to disassemble parts that are not designed for movement, as this may void any implied warranty.

## 3. PACKAGE CONTENTS

The package for your Bburago Mercedes-Benz 300 SL (1954) model should contain the following:

- 1 x Bburago Mercedes-Benz 300 SL (1954) Die-Cast Model Vehicle

#### 4. UNBOXING AND INITIAL INSPECTION

Carefully remove the model from its packaging. Inspect the model for any signs of damage that may have occurred during transit. Ensure all movable parts operate smoothly as described in the 'Operating Features' section.

#### 5. OPERATING FEATURES

Your Bburago Mercedes-Benz 300 SL (1954) model features several interactive elements:

- **Gull-wing Doors:** Gently lift the doors upwards to open them. Close them by carefully pushing them down until they click into place.
- **Hood:** The front hood can be opened to reveal the detailed engine compartment. Lift it from the front edge.
- **Trunk:** The rear trunk lid can be opened to view the storage area. Lift it from the rear edge.
- **Steerable Wheels:** The front wheels are steerable. Gently turn them left or right to simulate steering.

## 6. CARE AND MAINTENANCE

To ensure the longevity and appearance of your model:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. For stubborn dirt, slightly dampen the cloth with water (no harsh chemicals) and wipe carefully.
- **Handling:** Always handle the model by its main body. Avoid gripping delicate parts like mirrors, antennas, or small interior components.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent fading or material degradation.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your model:

- **Loose Parts:** If a small part becomes loose, inspect it carefully. If it is a simple detachment, it may be reattached with a small amount of model-safe adhesive. For broken parts, contact Bburago customer support.
- **Stiff Movable Parts:** If doors, hood, or trunk feel stiff, do not force them. Gently try to open and close them a few times. Avoid applying lubricants unless specifically recommended by the manufacturer.
