Clorox Clean-Up Multi-Surface Cleaner with Bleach Instruction Manual

Brand: CLOROX | Model: 044600300580

1. PRODUCT OVERVIEW

Clorox Clean-Up Multi-Surface Cleaner with Bleach is a powerful 3-in-1 solution designed to clean, disinfect, and remove 99% of common allergens from hard, nonporous surfaces. It effectively tackles tough messes like dirt, grease, food stains, mold, and mildew, while also killing 99.9% of bacteria and viruses, including the COVID-19 virus, in just 30 seconds.

Figure 1.1: Clorox Clean-Up Multi-Surface Cleaner with Bleach product bottle.

Key Features:

- **Disinfecting Cleaner:** A powerful cleaner and disinfecting spray for a variety of surfaces.
- **Mold Cleaner:** Effective for shower walls, tubs, sinks, and more.
- **Kills Viruses and Bacteria:** Kills 99.9% of bacteria and viruses, including COVID-19 virus.
- **Multi-Surface Cleaning:** Tackles stains and odors on stainless steel, sealed granite, glazed porcelain and ceramic, enamel, and fiberglass.
- **Removes Allergens:** Eliminates 99% of dust mite matter, pet dander, and cockroach matter.
- **Versatile Use:** Suitable for dirty floors, greasy countertops, and soapy bathroom surfaces.
- **Powerful Clean:** Eliminates tough stains without scrubbing.

2. SAFETY INFORMATION

This product contains Sodium Hypochlorite (1.84%) and other ingredients (98.16%), yielding 1.75% available chlorine. Always handle with care.

Important Precautions:

- **Keep out of reach of children.**
- **Warning:** Eye and skin irritant. Causes substantial but temporary eye injury.
- Do not get in eyes or on clothing. Avoid contact with skin.
- Wear protective eyewear. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.
- Remove and wash contaminated clothing before reuse.
- Harmful if swallowed.
- For sensitive skin or prolonged use, wear gloves.
- Vapors may irritate. Avoid prolonged breathing of vapors. Use only in well-ventilated areas.

- Not recommended for use by persons with heart conditions or chronic respiratory problems such as asthma, emphysema, or obstructive lung disease.

First Aid:

- **If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- **If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

ACTIVE INGREDIENT:
Sodium Hypochlorite:1.84%
OTHER INGREDIENTS: 98.16%
TOTAL: 100.00%

3. DIRECTIONS FOR USE

Clorox Clean-Up is suitable for use around kitchens, bathrooms, and patios. Always follow these directions for optimal results and safety.

To Clean and Disinfect Hard, Nonporous Surfaces:

1. Remove excess dirt from the surface.
2. Spray 6 to 8 inches from the surface until thoroughly wet.
3. Let stand for 30 seconds.
4. Rinse or wipe clean.
5. For heavily soiled surfaces, preclean the surface before disinfecting.

Eliminates the toughest stains the first time.

Use as directed.

4. REFILLING INSTRUCTIONS

To refill your Clorox Clean-Up spray bottle from a larger refill container:

1. Remove the trigger sprayer from the empty bottle by twisting it off.
2. Unscrew the cap on the refill container and carefully pour its contents directly into the empty spray bottle.
3. Replace the trigger sprayer and twist to secure it. The bottle is now ready for use.

To refill spray bottle:

**Twist off,
refill**

**Align tip
to tube**

**Push down
to close**

Scent	Rain Clean (Fresh Scent)
Item Form	Liquid
Product Benefits	Kill Germ, Specially designed to clean a variety of surfaces
Surface Recommendation	Sink, Toilet, Fiberglass, Floor, Shower, Tile
Date First Available	August 17, 2005
Manufacturer	Clorox Company

7. TROUBLESHOOTING

While Clorox Clean-Up is designed for effective cleaning, here are some general tips if you encounter issues:

- **Ineffective Cleaning:** Ensure the surface is pre-cleaned of heavy soil. Allow the product to sit for the recommended 30 seconds before wiping. For very tough stains, a second application or light scrubbing may be necessary.
- **Strong Odor:** Ensure adequate ventilation during and after use. Open windows or use fans to circulate air.
- **Surface Discoloration:** This product contains bleach. Avoid prolonged contact with certain materials like porcelain, unsealed wood, or colored fabrics, as it may cause discoloration. Always test in an inconspicuous area first.
- **Spray Nozzle Issues:** If the spray nozzle is clogged or not functioning correctly, ensure it is properly attached and the "ON" setting is selected. If issues persist, try rinsing the nozzle under warm water.

8. WARRANTY AND SUPPORT

For specific warranty information or product support, please refer to the contact details provided on the product packaging or visit the official Clorox website. Clorox is committed to providing high-quality cleaning solutions and customer satisfaction. For questions or comments, you may contact the manufacturer directly. Contact information is typically found on the product label or the manufacturer's official website.
