Keuco Plan Toilet Brush Head 14972004000 Instruction Manual

Model: 14972004000

1. PRODUCT OVERVIEW

This document provides instructions for the Keuco Plan replacement toilet brush head, model 14972004000. This product is designed as a direct replacement for the original brush head in compatible Keuco Plan toilet brush sets, ensuring continued hygiene and functionality.

Image 1.1: The Keuco Plan replacement toilet brush head, black in color, featuring dense bristles and a standard fitting for compatible handles.

Key Features:

- **Replacement Brush Head:** Specifically designed to replace worn or damaged brush heads in Keuco Plan toilet brush sets.
- **Color:** Black, to match existing Keuco Plan accessories.
- **Material:** Constructed from durable plastic for effective cleaning and longevity.
- **Compatibility:** Ensures a perfect fit with the Keuco Plan toilet brush handle.

2. INSTALLATION INSTRUCTIONS

Follow these steps to replace the toilet brush head:

1. **Preparation:** Ensure you have the new Keuco Plan replacement brush head (Model 14972004000) and your existing Keuco Plan toilet brush handle.
2. **Remove Old Brush Head:** Hold the toilet brush handle firmly. Twist the old brush head counter-clockwise to unscrew it from the handle. Dispose of the old brush head responsibly.
3. **Attach New Brush Head:** Align the threaded end of the new brush head with the corresponding fitting on the toilet brush handle.
4. **Secure:** Twist the new brush head clockwise until it is securely fastened to the handle. Do not overtighten.

3. MAINTENANCE

Proper maintenance ensures the longevity and hygiene of your toilet brush head.

- **Regular Cleaning:** After each use, rinse the brush head thoroughly with clean water.
- **Disinfection:** Periodically, the brush head can be disinfected using a suitable bathroom cleaner or disinfectant. Ensure to follow the cleaner's instructions.
- **Storage:** Always store the brush head in its designated holder to allow it to dry properly and prevent bacterial growth.
- **Replacement:** For optimal hygiene and cleaning performance, it is recommended to replace the brush head every 6-12 months, or sooner if bristles show signs of wear or damage.

4. TROUBLESHOOTING

This section addresses common issues you might encounter.

Problem	Possible Cause	Solution
Brush head does not fit the handle.	Incorrect model or incompatible handle.	Ensure your toilet brush handle is a Keuco Plan model. This replacement head (14972004000) is specifically designed for Keuco Plan systems.
Brush head feels loose after installation.	Not tightened sufficiently.	Twist the brush head clockwise until it is snug. Avoid overtightening to prevent damage.
