# KidKraft 2-in-1 Reversible Top Activity Table Instruction Manual

*Model: 17576*

## 1. INTRODUCTION

Thank you for choosing the KidKraft 2-in-1 Reversible Top Activity Table. This versatile activity table is designed to inspire imaginative play for children aged 3 and up. It features a reversible tabletop with two distinct play surfaces and integrated storage, making it an ideal addition to any play area. This manual provides essential information for assembly, operation, maintenance, and care to ensure a safe and enjoyable experience.

## 2. PACKAGE CONTENTS

Please ensure all the following components are present before beginning assembly:

- 2-in-1 Activity Table components
- Necessary bolts and dowel nuts for construction
- Allen wrench
- 200 Lego-compatible building blocks
- 30-piece wooden train set, including track pieces, a 3-piece train, a house, figurines, trees, a street sign, and a street car
- Instruction manual (this document)

## 3. SETUP AND ASSEMBLY

Assembly of the KidKraft 2-in-1 Activity Table is designed to be straightforward. A flat-head screwdriver (not included) is required in addition to the provided Allen wrench.

1. Unpack all components and verify against the package contents list.
2. Follow the detailed step-by-step instructions provided in the separate assembly manual included with your product.
3. Ensure all bolts and dowel nuts are securely fastened to provide stability.
4. The table base is constructed of durable sections that fit together easily.

#### **Safety Note:**

- The table features rounded corners for enhanced safety during play.
- Always supervise children during assembly and play.

## **4. OPERATING INSTRUCTIONS**

---

### **4.1 Reversible Play Surface**

The tabletop is designed for dual functionality, offering two distinct play experiences:

- **Building Brick Side:** One side features a studded surface compatible with the included building

bricks and other major building brick brands.

- **Smooth Play Side:** The reverse side provides a smooth, illustrated surface ideal for setting up the wooden train set, playing with other vehicles, or engaging in various activities like drawing or crafts.

To switch between surfaces, simply lift the tabletop and flip it over. No tools are required for this transition.

### 4.3 Play Modes

Utilize the table for various play scenarios:

- **Building Blocks:** Attach the included 200 building bricks to the studded surface to construct various creations.
- **Train Set:** Arrange the 30-piece wooden train set on the smooth, illustrated play surface to create railway adventures.
- **Creative Play:** The smooth surface can also be used for drawing, painting, puzzles, or other imaginative activities.

### 5. MAINTENANCE AND CARE

To ensure the longevity and cleanliness of your activity table:

- **Cleaning:** The table's surfaces feature a durable, Formica-like veneer that can be easily cleaned with common household cleaners and a soft cloth. Avoid abrasive cleaners.
- **Durability:** The table is constructed from wood for lasting durability. Avoid exposing it to excessive moisture or extreme temperatures.
- **Inspection:** Periodically check all fasteners to ensure they remain tight. Tighten if necessary.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your KidKraft 2-in-1 Activity Table, please consider the following:

- **Assembly Issues:** Double-check all assembly steps against the included manual to ensure correct installation of all parts.
- **Stability:** Ensure the table is placed on a flat, stable surface and that all screws and bolts are tightened.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact KidKraft customer support.
