Kerbl 29376

KERBL Stainless Steel Bucket 8.5 L User Manual

Model: 29376

1. Introduction

This manual provides instructions for the safe and effective use of your KERBL 8.5 L Stainless Steel Bucket, model 29376. Please read these instructions carefully before first use and retain for future reference. This bucket is designed for various applications, including domestic, commercial, and agricultural use, offering durability and ease of maintenance.

2. Product Features

- **Superior Quality Material:** The stainless steel bucket is manufactured from robust AISI 201 stainless steel, known for its corrosion resistance and durability.
- **Highly Polished Surface:** Polished both inside and out for an attractive appearance and simplified cleaning.
- **Practical Carrying Handle:** Features a sturdy carrying handle designed for comfortable transport, even when the bucket is full.
- **Versatile Application:** Ideal for a wide range of uses, including household tasks, commercial operations, and agricultural settings.
- **Easy Care:** The smooth surface ensures the bucket is particularly easy to maintain and resistant to dirt and stains.

3. Setup

1. **Unpacking:** Carefully remove the bucket from its packaging. Inspect for any signs of damage during transit.
2. **Initial Cleaning:** Before first use, wash the bucket thoroughly with warm water and a mild detergent. Rinse completely and dry with a soft cloth to prevent water spots.
3. **Inspection:** Ensure the carrying handle is securely attached and free from defects.

4. Operating Instructions

The KERBL Stainless Steel Bucket is designed for straightforward use in various environments. Its robust construction allows for handling a variety of materials.

- **Filling:** Fill the bucket with liquids, feed, or other materials up to its 8.5 L capacity. Avoid overfilling to prevent spills during transport.
- **Carrying:** Use the sturdy stainless steel handle for comfortable and secure transport. Ensure a firm grip, especially when the bucket is heavy.
- **Pouring:** The round shape and smooth rim facilitate easy pouring of contents.

5. Maintenance

Proper maintenance will ensure the longevity and hygienic condition of your stainless steel bucket.

1. **Regular Cleaning:** After each use, especially when used with food or liquids, clean the bucket thoroughly. Use warm water and a mild, non-abrasive detergent.
2. **Rinsing and Drying:** Rinse the bucket completely to remove all detergent residue. Dry immediately with a soft cloth to prevent water spots and maintain the polished finish. Air drying can lead to mineral deposits.
3. **Avoid Abrasives:** Do not use abrasive cleaners, scouring pads, or harsh chemicals, as these can scratch the polished surface and compromise the stainless steel's integrity.
4. **Storage:** Store the bucket in a clean, dry place when not in use.

6. Troubleshooting

- **Water Spots/Streaks:** If water spots or streaks appear after cleaning, ensure the bucket is thoroughly dried immediately after rinsing. Use a clean, soft cloth.
- **Minor Scratches:** Stainless steel is durable but can scratch. Avoid dragging the bucket on rough surfaces or using abrasive cleaning tools. Minor scratches typically do not affect functionality.
- **Dents:** While robust, heavy impacts can cause dents. Handle the bucket with care, especially when full. Dents may affect appearance but generally not the bucket's ability to hold liquids unless severe.
- **Rust-like Stains:** Although made of stainless steel, prolonged exposure to certain chemicals, highly corrosive

substances, or iron particles (e.g., from steel wool) can cause surface discoloration or 'flash rust'. Clean immediately with a stainless steel cleaner and avoid such exposures.

7. Specifications

Attribute	Detail
Manufacturer	Kerbl
ASIN	B001IWOOGK
Model Number	29376
Brand	Kerbl
Color	Silver
Material	Stainless Steel (AISI 201)
Capacity	8.5 Liters
Handle Material	Stainless Steel
Shape	Round
With Lid	Yes
Number of Items	1
International Article Code	04018653293768
Type of Container	Bucket
Included Components	8.5 L Stainless Steel Bucket

8. Warranty Information

Warranty information for the KERBL Stainless Steel Bucket is not explicitly detailed in the provided product specifications. For specific warranty terms and conditions, please contact your retailer or the manufacturer directly.

9. Customer Support
