Cambro TDCR12-131

Cambro TDCR12-131 Polyethylene Tray and Dish Cart User Manual

Product Overview

The Cambro TDCR12-131 Polyethylene Tray and Dish Cart is designed for efficient stationary self-service in cafeteria operations. Constructed from durable, easy-to-clean polyethylene, this cart resists rust, peeling, and corrosion, ensuring long-lasting performance. It features an open storage compartment suitable for various plates and trays, and includes a convenient cutlery rack.
Key features include:

- Durable polyethylene construction.
- Open storage for a wide variety of plates and trays.
- Integrated cutlery rack.
- 6-inch heavy-duty swivel casters for mobility.
- Rounded molded-in corners to protect surrounding furniture and walls.
- Includes a vinyl cover for added protection.

Setup Instructions

The Cambro TDCR12-131 Tray and Dish Cart typically arrives pre-assembled or requires minimal setup. Ensure all components are securely in place before use.

1. **Unpacking:** Carefully remove the cart from its packaging. Inspect for any shipping damage.
2. **Caster Check:** Verify that the 6-inch heavy-duty swivel casters are securely attached and move freely. These casters are designed for easy maneuvering.
3. **Placement:** Position the cart in its intended stationary self-service location. Ensure adequate space for access and operation.
4. **Accessory Installation:** If the cutlery rack is not pre-installed, attach it to the designated area on the cart.

Image Description: A dark brown Cambro TDCR12-131 Polyethylene Tray and Dish Cart shown from a slight angle. The cart features an open top compartment for trays and dishes, and a side-mounted cutlery rack. It is equipped with four swivel casters at the base.

Operation Guidelines

This cart is designed for convenient self-service of trays, dishes, and cutlery.

1. **Loading Trays and Dishes:** Utilize the large open storage compartment to stack clean trays and dishes. The compartment is designed to accommodate a wide variety of sizes.
2. **Loading Cutlery:** Place cutlery in the dedicated cutlery rack. Ensure cutlery is clean and organized for easy access by users.

3. **Mobility:** When moving the cart, use the integrated handles or push points. The heavy-duty swivel casters allow for smooth movement across various floor surfaces. Exercise caution when moving a fully loaded cart.
4. **Protection:** When the cart is not in active use, or for overnight storage, place the provided vinyl cover over the cart to protect its contents from dust and contaminants.

Care and Maintenance

Proper care ensures the longevity and hygienic operation of your Cambro Tray and Dish Cart.

- **Cleaning:** The polyethylene material is easy to clean. Wipe down all surfaces regularly with a mild detergent and water. Rinse thoroughly and dry with a clean cloth. Avoid abrasive cleaners or scouring pads that could damage the surface.
- **Rust and Corrosion:** The polyethylene construction prevents rust, peeling, and corrosion, making it suitable for environments where moisture is present.
- **Caster Maintenance:** Periodically check casters for debris accumulation (e.g., food particles, string). Clean as needed to ensure smooth operation. Lubricate caster axles with food-grade lubricant if movement becomes stiff.
- **Vinyl Cover:** Clean the vinyl cover with a damp cloth and mild soap. Ensure it is dry before storing to prevent mildew.

Troubleshooting

This section addresses common issues you might encounter with your tray and dish cart.

- **Cart is difficult to move:**
  - Check casters for accumulated debris (e.g., hair, string, food particles). Remove any obstructions.
  - Ensure caster wheels are not locked, if applicable.
  - Verify that the casters are securely attached to the cart frame.
- **Cart appears unstable:**
  - Ensure the cart is placed on a level surface.
  - Distribute the load evenly within the storage compartment to maintain balance.
- **Surface appears dull or stained:**
  - Clean thoroughly with a mild, non-abrasive cleaner. For stubborn stains, a plastic-safe cleaner may be used, followed by thorough rinsing.
