3. USAGE INSTRUCTIONS

Carlson Key-E Suppositories are designed for vaginal or rectal use to provide soothing lubrication and moisture.

Directions for Use:

1. Remove the suppository from its wrapper. To do this, hold the suppository with the pointed end up and carefully rip apart the foil at the cut-out on the top of the packaging.
2. Insert one suppository as needed.
3. Do not exceed four suppositories in a 24-hour period.

Hydrating And Soothing Inserts Can Be Used Vaginally Or Rectally To Restore Moisture Where You Need It Most.

Insert one no-mess suppository as you need it up to 4 times daily.

4. SAFETY INFORMATION & WARNINGS

Important Safety Information:

- For external use only.
- Avoid contact with eyes.
- If irritation occurs, discontinue use and consult a healthcare professional.
- Do not use if you are allergic to coconut or palm oils.
- Use as directed. Do not exceed 4 suppositories in a 24-hour period.
- If you are pregnant, nursing, or have a medical condition, consult your healthcare provider before use.
- Keep out of reach of children.
- In case of rectal bleeding, consult a physician.

5. STORAGE

Store at room temperature. If soft, place in refrigerator for firmness.
